

Agenda for October Drug Utilization Review Board Meeting Now Available

Information posted October 26, 2018

The [agenda](#) for the [Texas Drug Utilization Review](#) Board meeting on Friday, October 26, 2018, is now available. Visit the Vendor Drug Program website for instructions on how to submit written materials to the board for review prior to the meeting and presenting during the meeting.

Board members meet quarterly in Austin to recommend outpatient prescription drugs in Texas Medicaid. The board is responsible for developing and submitting recommendations for the Texas Medicaid preferred drug list, suggesting clinical prior authorization criteria, recommending educational interventions for Medicaid providers, and reviewing drug utilization across Texas Medicaid.
