Third Party Offering Contracting and Licensing Assistance

Information posted October 3, 2018

The Texas Health and Human Services Commission (HHSC) has been notified that an organization is sending informational flyers and other communication to long term care (LTC) providers offering services to assist in the expedition of HHSC contracting and licensing processes. Be aware that this information is not from HHSC, and **HHSC does not endorse services provided by third-party organizations, nor does it ensure the accuracy or impact that those services might have on HHSC contacting and licensing process timelines.**

For additional information on state LTC licensing standards, timelines and rules, visit the [Licensing, Credentialing and Regulation](#) page on the [HHSC website](#).
