An updated version of the CLASS/CFC Individual Plan of Care has been posted and is available for use. This form now includes:

- Verifications for EVV rights and responsibilities
- Choice between community based waiver services and an institution

CLASS case managers will be expected to begin using this updated form by December 1, 2018, for all initial, revised, and renewal service plans effective March 1, 2019, or later.

For questions regarding this alert, contact HHSC CLASS Policy.
