Reminder: Upcoming Training Webinars for Long Term Care Providers

Information posted November 6, 2018

TMHP will offer four live training webinars in November 2018 designed to help Long Term Care (LTC) providers submit forms and assessments accurately and efficiently on the LTC Online Portal. These webinars allow providers the opportunity to take advantage of online training that covers LTC Online Portal topics relevant to their daily operations.

During the live webinars, providers will be able to access training materials, submit questions, and participate in the courses. The webinars will be conducted by a TMHP Training Services Representative and will each include a question and answer session.

IMPORTANT NOTE: Attendees should already be familiar with the LTC Online Portal. Those who are not familiar with the portal should register for and complete the Long Term Care (LTC) Online Portal Basics Computer-Based Training (CBT) prior to the webinar.

The following is information on the webinars and on how to register.
