Members Sought for Mental Health Condition and Substance Use Disorder Parity Work Group

Information posted March 1, 2019

If you’re interested in mental health condition and substance-use disorder parity, you might be interested in being a member of the Mental Health Condition and Substance Use Disorder Parity Work Group.

The Texas Health and Human Services Commission (HHSC) Executive Commissioner will appoint members to the committee to serve a term expiring September 1, 2021. Applications are due by 11:59 p.m., March 8, 2019.

HHSC will consider the applicants' qualifications, background and interest in serving on the work group. HHSC also tries to choose work group members who, as a whole, represent the diversity of all Texans. For that reason, HHSC considers applicants' ethnicity, gender, and geographic location.
