Region 6 - CMS Emergency Preparedness Boot Camp – Pasadena, TX

Information posted April 5, 2019

Region 6 providers are invited to attend the 2nd CMS Emergency Preparedness Boot Camp for 2019 hosted by SETRAC in coordination with the Pasadena City Office of Emergency Preparedness, the City of Pasadena Public Health, and Office of Homeland Security, and the City of Pasadena and Arcadian Ambulance Services.

May 22, 2019
8:00 a.m. – 4:00 p.m.
Pasadena Convention Center and Municipal Fairgrounds
7902 Fairmont Parkway
Pasadena, TX 77505

The Southeast Texas Regional Advisory Council, along with local partners, invite you to attend this one-day workshop. The CMS Boot Camp Workshop will review the new CMS rules, strategies to meet them and adapt to future changes, define the role of the local Emergency partners, regional and state governments & Coalition involvement. Hands-on workshops for emergency notifications & bed reporting, Exercise building and Facilitation, plan reviews, a Bonus session on area Petroleum-Chemical Industry hazards and response overview, and much more!

Lite Breakfast and Lunch will be served on site. The following information will be presented:

**Morning Sessions:**
- CMS forecasted rule updates and strategies on how to remain in compliance
- Petroleum-Chemical Industry hazards and response overview
- Dialysis in Disasters

**Afternoon Sessions:**
- Hands-on workshop for emergency notifications and bed reporting system EMResource, including its use during daily activities or during individual and regional events.
- Exercise building and design session will be included as a breakout workshop where writing specific objectives, scenario building, documentation best practices and requirements are explored.
- Plan review
