

EVV Service Bill Codes Table Available

Information posted July 22, 2019

Detailed bill code information for Electronic Visit Verification (EVV) services is now available in the EVV Service Bill Codes table on the HHSC EVV website.

The [EVV Service Bill Codes table](#) identifies the EVV program and service bill codes required for EVV-relevant services that are currently in use and those with changes effective September 1, 2019.

Program providers must use the correct Healthcare Common Procedure Coding System (HCPCS) code/modifier combinations listed in the EVV Service Bill Codes table for all claims.

For fee-for-service claims, program providers must also use the correct Service Group/Service Code combinations for Long-Term Care services.

Use of the correct codes will help prevent EVV visit transaction rejections and EVV claim match denials.
