On August 2, 2019, six new Electronic Visit Verification (EVV)-related computer-based training (CBT) modules will become available on the TMHP Learning Management System (LMS). Each module will address a specific EVV topic.

The CBTs include:

- TMHP Module 1: Introduction to EVV
- TMHP Module 2: Researching, Selecting, and Onboarding with a Health and Human Services Commission (HHSC)-approved EVV Vendor
- TMHP Module 3: EVV Aggregator
- TMHP Module 4: EVV Portal
- TMHP Module 5: EVV Portal Standard Reports and Search Tools
- TMHP Module 6: EVV Claims Submission and Billing

Providers can access the TMHP LMS through the TMHP website on the TMHP Education webpage, or directly at learn.tmhp.com.

Users must have a user name and password to access CBTs in the LMS. To obtain a user name and password, program providers must create an account by clicking the Registration link at the top left-hand corner of the LMS home page. After creating an account, program providers can access all available CBT materials in the LMS.

For more information about the LMS, program providers can refer to the Learning Management System (LMS) Job Aid for Providers. For CBT log-in or access issues, email TMHP LMS support at TMHPTrainingSupport@tmhp.com.
