

Correction to SDA Add-on File for Dates of Discharge On or After September 1, 2019

Information posted September 5, 2019

There is a correction to the standard dollar amount (SDA) Add-on file published on the Texas Medicaid Acute Care Hospital Reimbursement web page on August 30, 2019, for dates of discharge on or after September 1, 2019.

An error was discovered in the trauma add-ons for some SDAs, and those SDAs have since been corrected. Claims impacted by this update will be identified and reprocessed accordingly. The corrected SDA Add-on file can be found at www.tmhp.com/Pages/Medicaid/Medicaid_hosp_reimb.aspx.
