Texas Health and Human Services Commission is accepting comments from stakeholders on the following proposed rule change posted in the Texas Register. The comment period ends October 14, 2019.

HHSC proposes amendments, repeals and new rules to the Texas Administrative Code, Title 40, Part 1, Chapter 19, Nursing Facility Requirements for Licensure and Medicaid Certification, to ensure consistency with revisions to the federal nursing facility requirements in the Code of Federal Regulations, Title 42, §§483.1–483.95.
