Share Your Ideas to Improve HHS Disability Services

Information Posted November 25, 2019

Texas Health and Human Services (HHS) is hosting a series of sessions throughout Texas to get feedback on how HHS can improve disability services.

This feedback will be used to develop a disability services action plan. People with disabilities receiving services, family members, providers, advocates, and community partners are encouraged to attend.

To learn more about these sessions, visit the Disability Services Action Plan webpage.
