Long Term Care Provider Letter No. 19-27: LTC Regulatory Issues Reminder About Physician Documentation

Information Posted January 9, 2020

PL 19-27 Supporting Physician Documentation was issued by HHSC Long-term Care Regulatory. The letter reminds nursing facility providers about rules that require documentation related to physician services.

A NF must maintain this required documentation or may face penalties from HHSC. NFs must also provide the Centers for Medicare & Medicaid Services with medical records of Medicaid beneficiaries when requested.
