

Personal Protective Equipment for CSHCN Services Program Home Health Providers

Information posted March 24, 2020

The Texas Department of State Health Services (DSHS) has issued new recommendations for the use of personal protective equipment (PPE). Please refer to the guidelines at [DSHS Information on PPE](#).

For more information, call the TMHP-CSHCN Services Program Contact Center at 800-568-2413.
