New COVID-19 Diagnosis Code U071 to be a Benefit Of Healthy Texas Women and Family Planning Program, Effective April 1, 2020

Information posted April 9, 2020

The Center for Disease Control and Prevention’s National Center for Health Statistics is implementing a new diagnosis code into the International Classification of Diseases, Tenth Revision, Clinical Modification for reporting Novel Coronavirus Disease (COVID-19).

Effective April 1, 2020, diagnosis code U071 will be a benefit of Healthy Texas Women (HTW) and Family Planning Program (FPP) for reporting COVID-19.
