User Guide Addendum

Information included in the Long Term Care Community Services Waiver Programs User has changed.

The details of the changes are outlined in the addendum, which immediately follows the User Guide and can be accessed by using the bookmarks.

Click the link to view the following addendum: Updates to Account Activation for the TMHP Online Provider Portal Addendum

Addendum added October 27, 2017.

For more information, contact the LTC Help Desk at 1-800-626-4117, Option 1.

Learning Objectives

After learning the material in the Long Term Care Community Services Waiver Programs User Guide, you will be able to:

• Understand the Medicaid Team roles.
• Identify National Provider Identifier (NPI)/Atypical Provider Identifier (API) requirements.
• Obtain an LTC Online Portal administrator account.
• Understand basic LTC Online Portal features.
• Understand Medical Necessity (MN) and the MN determination process.
• Submit Medical Necessity and Level of Care (MN/LOC) Assessments.
• Understand and complete the Long Term Care Medicaid Information (LTCMI) section, field by field.
• Submit Individual Service Plan (ISP) forms.
• Understand the provider workflow process.
• Understand how to correct or inactivate assessments—and the consequences of doing so.
• Understand how to print completed and blank assessments.
• Identify assessment statuses and how to resolve issues.
• Understand Resource Utilization Group (RUG) training requirements.
• Explain how to report Medicaid waste, abuse, and fraud.
• Identify additional resources.
The following groups and individuals make up the Medicaid Team. Together, they make it possible to deliver Medicaid services to Texans.

- **Centers for Medicare & Medicaid Services (CMS)** – The agency in the Department of Health and Human Services that is responsible for federal administration of the Medicare, Medicaid, and State Children’s Health Insurance Program (CHIP).
- **Individuals** – A person enrolled in a program. Individuals are those served by Texas Medicaid.
- **Managed Care Organization (MCO)** – State-contracted entity that has been given delegated authority to provide acute and long-term services to support enrolled managed care members.
- **Program Provider** – An entity that provides services under a contract with the Health and Human Services (HHS). For the purposes of this user guide, a provider is any entity that completes and submits and MNLOC or ISP using the LTC Online Portal, including a managed care organization.
- **Texas Health and Human Services (HHS)** – Texas state agency that provides long-term services and supports to older persons and individuals with physical, intellectual, and developmental disabilities. HHS also regulates providers of long-term services and supports, and administers the state’s guardianship program. Provides administrative oversight of Texas health and human services programs including: the Medicaid acute care program, Children’s Health Insurance Plan (CHIP), State of Texas Access Reform (STAR), State of Texas Access Reform PLUS (STAR+PLUS), and provides direct administration of some programs. Texas HHS Office of Eligibility Services (OES) determines eligibility for Medicaid.
- **Texas Medicaid & Healthcare Partnership (TMHP)** – Contracted by the state as the claims administrator to process claims for providers under traditional Medicaid. TMHP processes and approves claims for traditional Long Term Care (LTC). TMHP does not pay LTC claims; this is done by the comptroller. Responsibilities also include the following:
  - Determination of MN
  - Provider Education
  - Provide timely processing of claims (except for services covered by the STAR+PLUS premium) and represent HHS at Fair Hearings
  - Provide yearly program manuals, quarterly LTC Provider Bulletins, and twice weekly Remittance and Status (R&S) Reports
  - Maintain the TMHP Call Center/Help Desk, Monday through Friday, 7:00 a.m.–7:00 p.m., Central Time, excluding holidays
  - Conduct training sessions for providers, which includes technical assistance on the LTC Online Portal and TexMedConnect online applications
- **Texas State Legislature** – The state legislature allocates budgetary dollars for Texas Medicaid.
National Provider Identifier (NPI)/Atypical Provider Identifier (API) Requirements

The Health Insurance Portability and Accountability Act (HIPAA) established the National Provider Identifier (NPI) as the 10-digit standard unique identifier for health-care providers and requires covered health-care providers, clearinghouses, and health plans to use this identifier in HIPAA-covered transactions.

NPI is required on all claims submitted electronically, through third-party software, or through TexMedConnect. On the LTC Online Portal, NPI is used for security purposes, and links providers to their assessments so that only those associated with that NPI are viewable. Without an NPI, providers would not be able to locate their assessments on the LTC Online Portal.

To obtain an NPI, go to https://nppes.cms.hhs.gov/NPPES.

It is important the NPI or API be included in MN/LOC Assessment submissions field S2d. NPI or API is required on claims and assessment submissions using the following methods:

- LTC Online Portal
- TexMedConnect
- Third-party software vendor
The LTC Online Portal

The LTC Online Portal is used to submit, monitor, and manage MN/LOC Assessments.

Benefits of Using the LTC Online Portal

- Web-based application.
- 24/7 system availability.
- TMHP provides LTC Online Portal technical support by telephone at 1-800-626-4117, Option 3, from 7:00 a.m.–7:00 p.m., Central Time, Monday through Friday–excluding holidays.
- Edits are in place to verify the validity of data entered.
- Provides error messages that must be resolved before submission.
- Providers have the ability to monitor the status of their assessments by using Form Status Inquiry (FSI) or Current Activity.
- Allows providers to submit additional information.

LTC Online Portal Security

Security clearance and access to needed LTC Online Portal features are based on the role of the user, allowing them to complete the tasks associated with their job requirements. The options available on the blue navigational bar are based on the security profile assigned to each user; therefore, some options on the blue navigational bar may not be available for all users.

In order to utilize the LTC Online Portal, providers (and Managed Care Organizations) must request access to the LTC Online Portal. Your agency may already have an account. You may need to contact your agency’s administrator for user access. An administrator account is required for LTC Online Portal access, but it is strongly recommended to have multiple administrator accounts, in case one administrator is unavailable.

The administrator account is the primary user account for a provider number.

The administrator account provides the ability to add/remove permissions (access to LTC Online Portal features) for other user accounts on the same provider number.

A user account can be created by an administrator. User account permissions and limitations are set by the holder of an administrator account. This allows administrators to set the level of access according to employees’ responsibilities.

If you already have either an administrator or user account, go to www.tmhp.com/Pages/LTC/Ltc_home.aspx. Click the “Log In to LTC Online Portal” button.
If you do not have an account, you can create one by following the steps below. To do so, you will need to have your:

- **Provider number** – assigned by HHS when the provider signs the contract to provide HHS Program services.
- **Vendor number** – four-digit number assigned by HHS when the provider signs the contract to submit assessments on the LTC Online Portal.
- **Vendor password** – provider must call the Electronic Data Interchange (EDI) Help Desk at **1-888-863-3638** Option 4 to obtain their vendor password. The Help Desk is available Monday through Friday, 7:00 a.m. – 7:00 p.m. Note that it may take three to five business days to receive the password, which is randomly generated by TMHP.

**How to Create an LTC Online Portal Administrator Account**

1. Go to **www.tmhp.com**.
2. Click “providers” in the green bar located at the top of the screen.
3. Click “Long Term Care” in the yellow bar.
4. Click “I would like to...” in the blue bar located at the top of the screen.

5. Click the **Activate my account** link.

6. From here you have two choices:
   a. To create a new TMHP User Account without an existing provider/vendor account, click the **New Username and Enroll** link.
      - If selected, go to step 8. (Provider Type step).
   b. To create a new TMHP User Account with an existing provider/vendor account, click the **New Username and Activate Existing Provider** link.
      - If selected, go to step 7.
7. The following page will appear. Follow the instructions listed at the top of the page and click the **Create a Provider/Vendor Administrator Account** link at the bottom of the page.

![Image of Provider/Vendor Administrator Account creation process]

**What happens when I activate a Provider/Vendor Account?**

1. A TMHP User Account is created.
2. A Texas Medicaid or CSHCN Services Program Provider/Vendor Account is activated for online use.
3. The TMHP User Account is given administrative rights to the Provider/Vendor Account.

**What is a TMHP User Account?**

A TMHP User Account includes a username and password which are required to log into TMHP Applications. A User Account can be linked to one or more Provider/Vendor Accounts.

**What do administrative rights allow a User to do?**

When a TMHP User Account is given administrative rights to a Texas Medicaid or CSHCN Services Program Provider/Vendor Account, the User is allowed to control account activity and access protected data pertaining to a particular Provider, Facility or Vendor.

Within the secure portion of TMHP.com, Provider/Vendor administrators have the ability to:

- Submit Claims
- Appeal Claims
- Inquire about claim status
- Verify client eligibility
- View RAC Reports
- View POCN Panel Reports
- Submit prior authorization requests*

* This feature is currently unavailable to CSHCN providers, but it is coming soon.

You can administer a Provider Account three to five days after receiving the TMHP enrollment confirmation letter.

Click the following link to **Create a Provider/Vendor Administrator Account**.

**How to Validate a Provider/Vendor Account**
8. Choose a Provider Type from the drop-down box.

   **Note:** The Provider Types listed immediately below are the only two choices in the drop-down box that are applicable for this guide.

   - Use **NF/Waiver Programs** to submit MN/LOC Assessments on the LTC Online Portal. If you already use TexMedConnect, you are still required to create an NF/Waiver Programs account to submit MN/LOC Assessments on the LTC Online Portal.
   
   - Use **Long Term Care** to access TexMedConnect (for submitting claims, accessing R&S Reports, and performing Medicaid Eligibility and Service Authorization Verifications [MESAVs]).

9. Enter your provider number, vendor number, and vendor password.

10. Click the “Next” button.
11. Check the “I agree to these terms” box at the bottom of the screen, under the General Terms and Conditions section, to indicate agreement.

12. Click the “Create Provider Administrator” button to create your User name and Password.

Note: The User name and Password are used for future logins to your account. Make a copy for your records.

My Account

My Account is used to perform various maintenance activities for your account, such as: setting up user accounts, changing passwords, and other administrative tasks.

To access My Account:
2. Click “providers” in the green bar located at the top of the screen.
3. Click the “Log in to My Account” button in the blue bar located at the top of the screen.

Note: You may be prompted to enter your LTC Online Portal User ID and Password.
4. The “My Account” page will appear.

Login to the LTC Online Portal

1. Go to [www.tmhp.com](http://www.tmhp.com).
2. Click “providers” in the green bar located at the top of the screen.
3. Click “Long Term Care” in the yellow bar.

![Image](https://example.com/image1.png)

4. Click the “Log In to LTC Online Portal” button.

![Image](https://example.com/image2.png)

5. Enter your User name and Password.

6. Click the “OK” button. After login, Form Status Inquiry (FSI) will display by default.

![Image](https://example.com/image3.png)
LTC Online Portal Basics

Blue Navigational Bar Links

All portal features based on your security level will be found in the blue navigational bar located at the top of the portal screen.

Options found in the blue navigational bar may include: Home, Submit Form, Form Status Inquiry, Current Activity, Drafts, Printable Forms, and Help.

Home

When the blue navigational bar above is displayed, the Home link at the top will take you to the www.tmhp.com Long Term Care home page.

TMHP.com

The TMHP.com link at the top of the blue navigational bar will take you to the www.tmhp.com home page.

Using the TMHP home page providers may:

• Access the LTC Online Portal.
• Access TexMedConnect.
• Submit a prior authorization.
• Access provider manuals and guides.
• Access bulletins and banner messages.
Submit Form

The Submit Form feature allows providers to submit Waiver 3.0: Medical Necessity and Level of Care Assessments and H1700-1 STAR+PLUS HCBS Waiver Individual Service Plan (ISP) forms.
MEDICAL NECESSITY AND LEVEL OF CARE ASSESSMENT - Version 3.0

Section A. Identification Information

A0310. Type of Assessment

A0500. Legal Name of Individual

A0600. Social Security and Medicare Numbers

A0700. Medicaid Number

A0800. Gender

A0900. Birth Date

A1000. Race/Ethnicity

A1100. Language

A1300. Optional Individual Items

A1550. Conditions Related to IDD Status

A2300. Assessment Date
Note: The steps to submit MN/LOC Assessments are covered in the “Medical Necessity and Level of Care Assessment” section.

Note: The steps to submit ISP forms are covered in the H1700 / Individual Service Plan (ISP) Form section.

Form Status Inquiry (FSI)

The FSI feature provides a query tool for monitoring the status of assessments that have been successfully submitted.

Providers may use FSI to search for either Type of Form: Waiver 2.0: Medical Necessity and Level of Care Assessments, Type of Form: Waiver 3.0: Medical Necessity and Level of Care Assessments, or H1700-1 HCBS STAR+PLUS Waiver Individual Service Plan forms. The search does not have the capability to return both 2.0 and 3.0 Assessments with one search. Searches must be performed separately for 2.0 and 3.0 Assessments.

FSI allows providers to retrieve assessments in order to:

• Access assessments to research and review statuses.
• Provide additional information to an assessment.
• Retrieve assessments to make corrections or perform inactivations.
• Resolve any assessments set to status Provider Action Required.

1. Click or hover over the Search link on the blue navigational bar.
2. Click on the Form Status Inquiry link from the drop-down box.
3. Type of Form: Choose Waiver 2.0: Medical Necessity and Level of Care Assessment, Waiver 3.0: Medical Necessity and Level of Care Assessment, or H1700-1 STAR+PLUS HCBS Waiver Individual Service Plan from the drop-down box. Waiver 2.0: Medical Necessity and Level of Care Assessments are searchable for query purposes only.
4. Enter data for all required fields as indicated by the red dots. Narrow results by entering specific criteria in the additional fields: “DLN,” “Medicaid Number,” “Last Name,” “First Name,” “SSN,” “Form Status,” “From” and “To” Dates, and “Reason for Assessment.” Dates are searched against the TMHP Received Date (date of successful submission).

5. Click the “Search” button, and the LTC Online Portal will return any matching submissions (records).

**Note:** FSI search results will only display the Type of Form selected.

6. Click the **View Detail** link of the requested assessment to open and view the assessment.

**Note:** FSI can retrieve information from the previous seven years. The search is based on the TMHP Received Date. There is a 50-record line limit for search results; therefore, you may need to narrow your search to retrieve specific records. Descriptions of the column headings seen above are:

- **View Detail:** The hyperlink used to open the assessment.
- **DLN:** The unique document locator number (DLN) assigned to each successfully submitted assessment.
- **TMHP Received Date:** The actual date the assessment was successfully submitted on the LTC Online Portal.
- **SSN:** (2.0: AA5a, 3.0: A0600A). This information is used to identify the individual associated with the assessment.
- **Medicaid # (2.0): AA7, 3.0: A0700). This information is used to identify the individual associated with the assessment.
- **Medicare # (2.0): AA5b, 3.0: A0600B). This information is used to identify the individual associated with the assessment.
- **First Name and Last Name (2.0: AA1a and AA1c, 3.0: A0500A and A0500C). This information is used to identify the individual associated with the assessment.
- **ISP From/To Date:** These dates define how long an ISP is valid for.
- **Status:** The status of the assessment at the time of the search.
- **RUG:** The assigned Resource Utilization Group (RUG) value.
- **RN Signature Date:** Date the assessment was completed as identified in field R2b for 2.0 Assessments and field Z0500B for 3.0 Assessments.
- **Provider Number:** The nine-digit number formerly known as the contract number.
- **Vendor Number:** The four-digit site identification number.
- **County:** The county on file for an ISP form.
- **Reason for Assessment:** (2.0: AA8a, 3.0: A0310A):
Current Activity

The Current Activity feature allows providers to view assessment submissions or status changes that have occurred within the last 14 calendar days. After 14 days, providers must utilize the FSI query tool to locate an assessment.

1. Click or hover over the **Worklist** link on the blue navigational bar.
2. Click the **Current Activity** link in the drop-down box.
3. Click the appropriate vendor number (if applicable).

4. The results will display a summary of all assessment submissions or status changes within the last 14 calendar days.

**Note:** Unlike FSI search results, there is **not** a 50-record line limit for Current Activity search results.

Descriptions of the column headings seen above:

- **Waiver 3.0:** The unique DLN assigned to each successfully submitted assessment.
- **H1700-1:** The unique DLN assigned to each submitted ISP form.
• **Received:** The actual date the assessment was successfully submitted to TMHP on the LTC Online Portal.

• **SSN:** (A0600A): This information is used to identify the individual associated with the assessment.

• **Medicaid (A0700):** This information is used to identify the individual associated with the assessment.

• **Medicare (A0600B):** This information is used to identify the individual associated with the assessment.

• **Name (A0500A and A0500C):** Information used to identify the individual associated with the assessment.

• **Status:** The status of the assessment.

• **County:** The county on file for an ISP form.

• **Current Service Authorization System (SAS) Response Code:** This column lists the SAS response code for each ISP form.

5. Click the **DLN** link to display the details of the requested assessment.

Providers are able to sort the Current Activity results in a variety of ways. By clicking on the heading of a column, the provider can choose to sort results by DLN, Received Date, SSN, Medicaid Number, Medicare Number, Name, or Status. When the provider clicks on a column heading the first time, it is sorted in ascending order. By clicking on the column heading a second time, the sort will change to descending order.

### Drafts

The Drafts feature allows access to all drafts saved under the vendor/provider number to which the user is linked.

To access a saved draft:

1. Click or hover over the **Worklist** link on the blue navigational bar.
2. Click the **Drafts** link in the drop-down box.
3. Click the appropriate vendor number hyperlink under Vendor Numbers. A list of drafts saved for the selected vendor/provider number will display.
4. Drafts can be sorted by date and time, form type, or by individual’s last name by clicking on the appropriate column header(s).
5. From here you have two choices:
   a. Click the **Open** link to open the draft to edit and submit.
      
   or
   
   b. Click the **Remove** link to permanently delete the draft.

   **Note:** The following confirmation prompt message will appear:

   The page at securereg.tmhp.org says:

   Press 'OK' to confirm that you would like to delete this draft from the portal. Press 'Cancel' to keep the draft.

   ![Confirmation Prompt]

   • Click the “OK” button to delete the draft.
      
   or
   
   • Click the “Cancel” button to keep the draft.

   **Note:** Once a draft has been deleted, it cannot be retrieved.
Printable Forms

The Printable Forms feature allows the provider to view blank assessments and forms, print blank assessments or forms, print or interactively complete assessments by saving to the provider's desktop:

1. Click the **Printable Forms** link on the blue navigational bar.

2. Choose an assessment or form by clicking the corresponding link. Adobe Reader® will open in a new window and will display the blank assessment in Portable Document Format (PDF).

**Note:** To type information into an assessment, click on the appropriate link. Once open, save the document to your desktop and begin entering information.
3. Click the “Print” Icon. 

   - To print the entire document:
     a. Printer: Choose the appropriate printer name from drop-down box.
     b. Print Range: Click the “All” radio button.
     c. Click the “OK” button.

   - To print certain pages, instead of the entire document:
     a. Printer: Choose the appropriate printer name from drop-down box.
     b. Print Range: Click the “Pages” radio button.
     c. Enter the pages to print. (Example: 1-5 will print all pages 1 through 5; 1, 3, 7 will print only pages 1, 3, and 7.) This is useful for printing only the LTCMI, instead of the entire MN/LOC Assessment.
     d. Click the “OK” button.
Help

The Help feature at the far right on the blue navigational bar will display a Help page consisting of links to online guides that will assist with questions you may have about the LTC Online Portal. The **Medical Necessity and Level of Care Assessment 3.0 Instructions** link provides section-by-section instructions to guide the registered nurses (RNs) in completing the MN/LOC Assessment.

*Note: Providers may access an electronic version of the LTC User Guide by clicking the Long Term Care Community Services Waiver Programs User Guide link within the Help page.*

Yellow Form Actions Bar

Options found in the yellow Form Actions bar may include: Print, Print Physician’s Signature, Use as template, Correct this form, Add Note, or Inactivate Form. Options will vary depending on your security level as well as the document status. The yellow Form Actions bar is available when an individual document is being viewed in detail.

Print

The Print feature allows the provider to print completed MN/LOC Assessments. Click the “Print” button to print completed assessments.

*Note: To only print specific sections of the assessment, click the “Pages” radio button and enter the page range for the desired pages only. When printing the MN/LOC 3.0 Assessment, the individual’s name will appear on the top left corner of each page. The name will be auto populated based on the information entered in field A0500.*
Print Physician’s Signature on Certification Statement

The Print Physician’s Signature feature allows a provider to generate and print a Physician’s Signature page at any time. Initial Assessments require a physician’s signature on the certification statement. The certification statement is found on the Physician’s Signature page. A physician’s signature is optional on Annual Assessments and Significant Change in Status Assessments.

To print the Physician’s Signature page (required for an Initial Assessment):

1. Complete all designated fields of the assessment on the LTC Online Portal.
2. Before submitting the assessment, click the “Print Physician’s Signature” button located in the yellow Form Actions bar. The diagnoses listed on the printed Physician’s Signature page are pulled from the information entered in Section I and the Primary Diagnosis listed in field S3a of the LTCMI section.
3. Click the “Save as Draft” button to save the assessment until the physician’s signature is obtained.
4. Once the physician’s signature is obtained, retrieve the assessment from Drafts.
5. Check the box labeled “Physician’s Signature on File” found in the LTCMI section under S7e to indicate that the physician’s signature is on file.
6. Click the “Submit Form” button to submit the Assessment.

Physician’s Signature page for Annual Assessments and Significant Change in Status Assessments (optional):

1. Once the physician’s signature is obtained on the Initial Assessment, the Physician’s Signature box can be checked on the Annual Assessments and Significant Change in Status Assessments.
2. Click the “Submit Form” button to submit the assessment.

Use as template

The Use as template feature allows a provider to complete a new assessment by using the information in a previously submitted assessment as a template. Various fields will auto populate; be sure to check entire document for accuracy and update with current information. For example, be sure to update Section I Active Diagnoses to include any new diagnoses active in the last seven days, update Section J1550 to include or remove any Problem Conditions, and in Section J0100 Pain Management, if J0100B is marked yes, ensure a PRN pain medication is listed in S9 Medications.
Be careful not to confuse this feature with a similarly-named feature in TexMedConnect.

Once you have found and are displaying the assessment using FSI or Current Activity:

1. Click the “Use as template” button; the data in this assessment will be used to create a new assessment.

   ![Assessment Form](image)

   **Note:** Modify assessment data to reflect the current status of the individual. Also, adjust the Reason for Assessment if necessary (e.g., if you chose to use an Initial Assessment as a template for the Annual Assessment, don’t forget to change the Reason for Assessment from Initial to Annual).

2. Enter data into remaining required fields that are not auto populated.

   **Note:** Fields not auto populated in the 3.0 Assessment are: Assessment Date (A2300), Date Assessment was Completed (Z0500B), and Medication Certification Checkbox (S9).

3. Click the “Print” button located in the yellow Form Actions bar to print the assessment in progress, if you want a hard copy for your records.

   From here you have two choices:

   a. Click the “Submit Form” button located at the bottom right of the screen, if you are ready to submit for processing.

   ![Submit Form Button](image)

   or

   b. Click the “Save as Draft” button located in the yellow Form Actions bar to save an assessment as a draft until you are ready to submit.
Correct this form

The Correct this form feature allows providers to perform corrections to the MN/LOC Assessment within 14 calendar days of the original submission (i.e., TMHP received date). However, corrections are not allowed if an assessment is set to status: Form Inactivated, Invalid/Complete, SAS Request Pending, or Corrected.

**Note:** A parent assessment is the original assessment that is being corrected and will be set to status Corrected. The child assessment is the new assessment that will be processed through the LTC Online Portal.

Note: The steps to correct an assessment are covered in the “Corrections” section.

Add Note

The Add Note feature located in the yellow Form Actions bar is always available unless the assessment is locked by another user. It may be used to add additional MN information that was not captured upon original submission. Information is added to the History trail of the assessment, not to the assessment itself (i.e., not added to Comments in the LTCMI section of the assessment).

If the status is set to Pending Denial (need more information) and a note is added, the assessment will be set to status Pending Review. The additional information entered will then be reviewed by a TMHP nurse.

To add a note to a submitted assessment:

1. Locate the assessment using FSI or Current Activity.

   Click the “Add Note” button, a text box will open.

2. Enter additional information (up to 500 characters).
3. Click the “Save” button to save your note or the “Cancel” button to erase your note, located under the text box.

Note: If unsure why an assessment is set to status Pending Denial (need more information), call the TMHP Help Desk (1-800-626-4117, Option 2) to speak with a nurse. If “Add Note” is chosen for any assessment set to status Pending Denial (need more information), the assessment will be reviewed again for MN. If the nurse is unable to approve the assessment with the additional information provided, the assessment will be sent to the TMHP Medical Director for review and determination of MN. Notes added in any status other than Pending Denial (need more information) are added to the history of the assessment but are not reviewed by TMHP.

Note: HHS staff can add notes to an MN/LOC Assessment to assist a provider in resolving their assessment-related issue(s) for those assessments set to status Provider Action Required or Submitted to manual workflow. Providers should look for these notes in the History trail of the MN/LOC Assessment.

Inactivate Form

The Inactivate Form feature allows providers to inactivate an MN/LOC Assessment. Once inactivated, the assessment will not be available for further processing. Inactuations are not allowed if an assessment is set to status Corrected, Form Inactivated, or SAS Request Pending. Inactivated assessments may be used as templates via the “Use as template” feature.

Note: The steps to inactivate an assessment will be covered in the “Inactivations” section.
Save as Draft

The Save as Draft feature allows users to save unfinished assessments on the LTC Online Portal. Once saved, these drafts will be accessible by all users under the provider number to which the draft is linked. The user may access the draft by clicking the Worklist link located on the blue navigational bar.

Note: The “Save as Draft” button will only display in the yellow Form Actions bar until the assessment being entered has been successfully submitted on the portal. Drafts will display for 60 days only.

Other Basic Information

Required Fields

Within the LTC Online Portal, red dots indicate required fields. Fields without the red dot are optional.
History

An assessment’s history can be found by scrolling down to the bottom of the screen on an open assessment. This History trail shows the different statuses the assessment has held. The most recent status will appear at the bottom.

<table>
<thead>
<tr>
<th>History</th>
<th>Date/Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>Form Submitted</td>
<td>1/18/2016 9:59:56 AM</td>
</tr>

<td>TMHP: Form has been corrected by DLN</td>
</tr>
</tbody>
</table>

UnLock Form

Upon opening, the assessment becomes automatically locked by the viewer and will remain locked for 20 minutes of no activity or until the viewer clicks the “UnLock Form” button. The UnLock Form button will unlock the assessment so that a different user can make changes. If an assessment is locked, others will not be able to make changes or add additional information. You may be asked to unlock an assessment if you are seeking assistance from TMHP or HHS.

To unlock an assessment, click the “UnLock Form” button located at the top right corner of the screen.
Error Messages

If required information is missing or the submitted information is invalid, an error message(s) will display, and you will not be able to continue to the next step until the error is resolved. You may need to scroll to the top of the screen to find the error message(s) since the error message(s) will be displayed at the top. If you click an error message hyperlink, you will automatically be taken to the field containing the error.

Entering Dates

To enter dates, you have the option to click on the calendar icon next to any of the date fields to activate the dynamic calendar. Choose the date desired. Or, you may manually enter the date using the mm/dd/yyyy format.

Timeout

The LTC Online Portal will timeout after 20 minutes of no activity. To prevent this timeout from occurring, complete and submit the assessment within 20 minutes or click on a different tab (e.g., Section A) to reset the timer, then return to the previous tab.
RUG Value

Resource Utilization Group (RUG) is used to classify relative direct care resource requirements for individuals who live in a Nursing Facility (NF), and to establish the cost limit for community services consumers in the STAR+PLUS program. Once a successfully submitted assessment is open, the RUG value can be found next to the DLN, as seen in the screen shot below.

Medical Necessity and Level of Care 3.0 Assessment

MN/LOC Assessments are submitted to determine MN for individuals in the community and for Medicaid reimbursement.

There are three reasons to submit an MN/LOC 3.0 Assessment:

• A0310A = 01. Initial Assessment
• A0310A = 03. Annual Assessment
• A0310A = 04. Significant Change in Status Assessment (SCSA), submitted due to changes in the medical condition of the individual when one of the following conditions are met:
  › Authorized by the HHS case manager OR
  › For individuals receiving Community First Choice (CFC) services from an MCO

**Note:** A SCSA does not apply for PACE. For Managed Care Organizations (MCOs) STAR+PLUS, the SCSA is completed but not submitted on the LTC Online Portal unless eligibility for the HCBS STAR+PLUS waiver is being established and the member receives CFC services. If the member receives CFC services, the MCO submits it on the LTC Online Portal.

**Significant Change in Status Assessment Submission Guidelines**

The LTC Online Portal will accept SCSA submissions only when there is a record of previously approved MN found within the past 365 calendar days for the individual.

If there is no approved MN within the past 365 calendar days, the SCSA will not be accepted onto the LTC Online Portal and the following error message will display:

- The SCSA cannot be accepted. No previous MN on file for client within past 365 days. Please submit Initial or Annual assessment.

The LTC Online Portal will not accept SCSA submissions if the latest approved MN Assessment found for an individual is within the 365 calendar day limit, and is set to one of the following pending statuses:

• Pending Review
• Pending Denial (need more information)

In the above circumstance the following error message will display:

- The SCSA cannot be accepted. The final decision has not been made on your previously submitted Initial or Annual assessment for this client. You may save this SCSA as a draft for submission at a later date.

All assessments must be submitted through the LTC Online Portal.
Note: Managed Care Organizations (MCOs) complete the SCSA but do not submit it on the LTC Online Portal, unless eligibility for STAR+PLUS waiver is being established and the member receives CFC services. If the member does not receive CFC services, the MCO prints and keeps it in the individual’s records. If the member receives CFC services, the MCO submits it on the LTC Online Portal.

How to Submit a Medical Necessity and Level of Care Assessment

1. Login to the LTC Online Portal.

2. Click the Submit Form link located in the blue navigational bar.

3. Type of Form: Choose Waiver 3.0: Medical Necessity and Level of Care Assessment from the drop-down box.

4. To auto populate an individual’s information in the MN/LOC Assessment, enter one of the following combinations of information:
   - Medicaid Number
     or
   - Social Security number (SSN) and Last Name
     or
   - SSN and Date of Birth
     or
   - Date of Birth and Last Name and First Name

Note: All demographic information (except gender) is auto populated when one of the aforementioned data items is entered. Refer to the demographic information located in Section A and section LTCMI of the MN/LOC Assessment.

5. Click the “Enter Form” button.
6. Click the tabs ("Section A," "Section B," etc.) and enter the assessment information.

For Initial Assessments only, the following is required:

a. Click the “Print Physician’s Signature” button and print the signature page and obtain the MD/DO signature.

b. Click the “Save as Draft” button to save the MN/LOC Assessment to be recalled later.

c. Once the physician’s signature has been obtained, click the Drafts link in the blue navigational bar.

d. Click the Open link.

e. Click the “Section LTCMI” tab. Check the box indicating the physician’s signature is on file.
7. Click the “Submit Form” button.
   
a. If the assessment is submitted successfully, a DLN will be assigned and the following message will be displayed:

   ![Message](https://example.com/message.png)

b. If an assessment is not successfully submitted, an error message will appear at the top of the screen. The provider must resolve the error(s) to ensure the assessment will be submitted successfully. The error message will prompt the provider as to how to resolve the error or save to draft for research and correction at a later date. If the provider is unable to resolve the error, they may contact TMHP for assistance.

   ![Error Message](https://example.com/error_message.png)

**MN/LOC 3.0 Assessment Sections**

- Section A: Identification Information
- Section B: Hearing, Speech, and Vision
- Section C: Cognitive Patterns
- Section D: Mood
- Section E: Behavior
- Section G: Functional Status
- Section H: Bladder and Bowel
- Section I: Active Diagnoses
- Section J: Health Conditions
- Section K: Swallowing/Nutritional Status
- Section L: Oral/Dental Status
- Section M: Skin Conditions
- Section N: Medications
- Section O: Special Treatments, Procedures, and Programs
- Section P: Restraints
- Section Q: Participation in Assessment and Goal Setting
• Section Z: Assessment Administration
• Section LTCMI: LTC Medicaid Information

Detailed explanations of the MN/LOC Assessment sections can be found at the following locations:

• Go to www.tmhp.com/Pages/LTC/LTC_Forms.aspx and click the Medical Necessity and Level of Care 3.0 Instructions link found under the Community Waivers Programs heading.
• Click the Help link in the blue navigational bar and click the Medical Necessity and Level of Care 3.0 Instructions link.

Blank MN/LOC Assessments can be found at the following locations:

• Go to www.tmhp.com/Pages/LTC/LTC_Forms.aspx and click the Medical Necessity and Level of Care 3.0 Assessment link found under the Community Waivers Programs heading.
• Click the Printable Forms link in the blue navigational bar and click the Waiver 3.0 MN and LOC link.
### LTC Community Services Waiver Programs User Guide

#### Long Term Care Medicaid Information (LTCMI)

![Image of LTCMI form]

- **Section A**: Medicaid Information
  - Medicaid Client Indicator
  - Individual Address
  - City
  - State
  - ZIP Code
  - Phone

- **Section B**: Claims Processing Information
  - DADS Vendor/Site ID Number
  - Provider Number
  - Service Group
  - NPI Number
  - Region
  - Purpose Code
  - HHA License #
  - HHA License # Expiration Date

- **Section C**: Primary Diagnosis
  - Primary Diagnosis ICD Code
  - Primary Diagnosis ICD Description

- **Section D**: Certifications
  - HHA RN Last Name
  - HHA RN License #
  - HHA RN License State
  - DADS RN Last Name
  - DADS RN License #
  - DADS RN License State
  - DADS RN Signature Date
  - PACE RN Last Name
  - PACE RN License #
  - PACE RN License State

- **Section E**: Additional MN Information
  - Tracheostomy Care
  - Ventilator/Respirator
  - Number of hospitalizations in the last 90 days
  - Number of emergency room visits in the last 90 days
  - Oxygen Therapy
  - Special Ports/Central Lines/PICC
  - At what developmental level is the individual functioning?
  - Enter the number of times this individual has fallen in the last 90 days
  - In how many of the falls listed above was the person physically restrained prior to the fall?

- **Section F**: In the falls listed in Section above, how many had the following contributory factors? (More than one factor may apply to a fall. Indicate the number of falls for each contributory factor.)
  - Environmental (debris, slick or wet floors, lighting, etc.)
  - Medication(s)
  - Major Change In Medical Condition (Myocardial Infarction (MI)/Heart Attack), Cerebrovascular Accident (CVA/Stroke), Syncope (Fainting), etc.)
  - Poor Balance/Weakness
  - Confusion/Disorientation
  - Assault by Individual or Caregiver
**S7. Physician’s Evaluation & Recommendation**

| S7a. | Did an MD/DO certify that this individual requires nursing facility services or alternative community based services under the supervision of an MD/DO? |
| S7b. | Did a military physician providing healthcare according to requirements stipulated in 10 US Code 1094 provide the evaluation and recommendation for this individual? |
| S7c. | MD/DO Last Name |
| S7d. | MD/DO License # |
| S7e. | MD/DO License State |

Indicate Physician Signature on file by checking box (Required for Initial Assessments)

The following MD/DO Information is required if MD/DO is not licensed in Texas.

| S7f. | MD/DO First Name |
| S7g. | MD/DO Address |
| S7h. | MD/DO City |
| S7i. | MD/DO State |
| S7l. | MD/DO ZIP Code |
| S7k. | MD/DO Phone |

**S9. Medications**

- List all medications that the individual received during the last 30 days. Include scheduled medications that are used regularly, but less than weekly.

**Medication Certification:** I certify this individual is taking no medications OR the medications listed below are correct

**S10. Comments**

|  |

**S11. Advance Care Planning**

| S11a. | Does the individual/caregiver report having a legally authorized representative? |
| S11b. | Does the individual/caregiver report having a Directive to Physicians and Family or Surrogates? |
| S11c. | Does the individual/caregiver report having a Medical Power of Attorney? |
| S11d. | Does the individual/caregiver report having an Out-of-Hospital Do Not Resuscitate Order? |

**S12. LAR Address**

Required if individual/caregiver has reported having a legally authorized representative.

| S12a. | LAR First Name |
| S12b. | LAR Last Name |
| S12c. | Address |
| S12d. | City |
| S12e. | State |
| S12f. | ZIP Code |
| S12g. | Phone |
• **S1. Medicaid Information.**
  – S1a. Medicaid Client Indicator.
    Auto Populated.
    › This field will be auto populated.
  – S1b. Individual Address.
    Required.
    › Enter the street address where the individual is presently living.
    › Individual’s Address is used for mailing MN letters.
  – S1c. City.
    Required.
    › Enter the city where the individual is presently living.
    › Individual’s Address is used for mailing MN letters.
  – S1d. State.
    Required.
    › Choose the state where the individual is presently living from the drop-down box.
    › Individual’s Address is used for mailing MN letters.
  – S1e. ZIP Code.
    Required.
    › Enter the ZIP Code where the individual is presently living.
    › Individual’s Address is used for mailing MN letters.
  – S1f. Phone.
    Optional.
    › Enter the contact telephone number for the individual, if known.

• **S2. Claims Processing Information.**
  – S2a. HHS Vendor/Site ID Number.
    Auto Populated.
    › This field will be auto populated based on the user’s logon security credentials.
  – S2b. Provider Number.
    Auto Populated.
    › This field will be auto populated.
  – S2c. Service Group.
    Required.
    › Choose from the drop-down box:
      – 11. PACE
      – 19. STAR+PLUS
      – 23. CFC
– S2d. NPI Number.
  Required.
  › This field will be auto populated.
  This is where API would be entered if using an API number. API is “D,” two zeros, then provider number.

– S2e. Region.
  Required.
  › Choose from the drop-down box:
    – 01 (Lubbock)
    – 02 (Abilene)
    – 03 (Grand Prairie)
    – 04 (Tyler)
    – 05 (Beaumont)
    – 06 (Houston)
    – 07 (Austin)
    – 08 (San Antonio)
    – 09 (Midland / Odessa)
    – 10 (El Paso)
    – 11 (Edinburg)

– S2f. Purpose Code. **THIS FIELD IS NO LONGER APPLICABLE.**
  › Purpose Code is auto populated when a Utilization Review (UR) is submitted by a HHS RN. For Initial, Annual, and SCSA Assessments, this field is not available for data entry.
  › Purpose Code 1 is used for UR only.
  › S2f indicates HHS has submitted a UR on a previously submitted provider assessment for Service Groups (SG) 3 CBA, and SG 18 MDCP.

  **Note:** HHS RNs perform Utilization Reviews. A UR will override the previously submitted assessment.

– S2g. Home Health Agency (HHA) License #.
  Required.
  If you work for a Home Health Agency:
  › Enter the Home Health Agency License number.
  › HHA License # must be up to seven numeric digits.
  If you do not work for a Home Health Agency:
  › Enter all zeros.

– S2h. HHA License # Expiration Date.
  Required.
  › Enter the license expiration date of the Home Health Agency License number. If you entered all zeros in field S2g, this field will deactivate.
  › HHA License # Expiration Date must be in mm/dd/yyyy format.
• **S3. Primary Diagnosis.**
    Required.
    › Enter a valid ICD code for the individual’s primary diagnosis. Use your best clinical judgment.
  - S3b. Primary Diagnosis ICD description.
    Optional.
    › Click the magnifying glass and the description will be auto populated based on the primary diagnosis ICD code.

• **S4. For HHS use only.**
  - When a successfully submitted LTCMI is printed, field S4b will show the calculated RUG value.
    **Note:** *The RUG value also appears at the top of each page on all successfully submitted MN/LOC Assessments.*

• **S5. Licenses.**

  Certification: To the best of my knowledge, I certify to the accuracy and completeness of this information.
  - S5a. HHA RN Last Name.
    Conditional.
    › This is a required field for Service Group (SG) 23 CFC.
    › Enter the last name of the RN completing the assessment.
  - S5b. HHA RN License #.
    Conditional.
    › This is a required field for SG 23 CFC.
    › Enter the license number of the RN.
    › Licenses issued in Texas will be validated against the Texas BON (Board of Nursing). Compact licenses will be validated with the issuing state’s nursing board.
    › This number is validated to ensure RUG training requirements have been met.
  - S5c. HHA RN License State.
    Conditional.
    › This is a required field for SG 23 CFC.
    › Choose the state in which the RN is licensed from the drop-down box.
  - S5d. HHS RN Last Name. **THIS FIELD IS NO LONGER APPLICABLE.**
    Conditional.
    › Enter the last name of the RN completing the assessment.
  - S5e. HHS RN License # **THIS FIELD IS NO LONGER APPLICABLE.**
    Conditional.
    › Enter the license number of the RN.
    › Licenses issued in Texas will be validated against the Texas BON. Compact licenses will be validated with the issuing state’s nursing board.
    › This number is validated to ensure RUG training requirements have been met.
- S5f. HHS RN License State. **THIS FIELD IS NO LONGER APPLICABLE.**
  Conditional.
  › Enter the state in which the RN is licensed.
- S5g. HHS RN Signature Date. **THIS FIELD IS NO LONGER APPLICABLE.**
  Conditional.
  › Enter the date the HHS RN signed the assessment as being complete.
  HHS RN Signature.
  › HHS RN must sign assessment as being complete.
- S5h. PACE RN Last Name.
  Conditional.
  › This is a required field for SG 11 PACE.
  › Enter the last name of the RN completing the assessment.
- S5i. PACE RN License #.
  Conditional.
  › This is a required field for SG 11 PACE.
  › Enter the license number of the RN.
  › Licenses issued in Texas will be validated against the Texas BON. Compact licenses will be validated with the issuing state's nursing board.
  › This number is validated to ensure RUG training requirements have been met.
- S5j. PACE RN License State.
  Conditional.
  › This is a required field for SG 11 PACE.
  › Choose the state in which the RN is licensed from the drop-down box.
- S5k. HMO RN Last Name
  Conditional.
  › This is a required field for SG 19 STAR+PLUS.
  › Enter the last name of the RN completing the assessment.
- S5l. HMO RN License #.
  Conditional.
  › This is a required field for SG 19 STAR+PLUS.
  › Enter the license number of the RN.
  › Licenses issued in Texas will be validated against the Texas BON. Compact licenses will be validated with the issuing state's nursing board.
  › This number is validated to ensure RUG training requirements have been met.
- S5m. HMO RN License State.
  Conditional.
  › This is a required field for SG 19 STAR+PLUS.
  › Choose the state in which the RN is licensed from the drop-down box.
• **S6. Additional MN Information.**
  
  **S6a. Tracheostomy Care.**
  Conditional.
  
  › This field is only required and available for data entry if O0100E, Tracheostomy care, is checked *and* the individual is 21 years of age or younger.
  
  › Choose from the drop-down box:
    1. Less than once a week
    2. 1 to 6 times a week
    3. Once a day
    4. Twice a day
    5. 3 – 11 times a day
    6. Every 2 hours
    7. Hourly / continuous

  **S6b. Ventilator/Respirator (Do not include BiPAP or CPAP time).**
  Conditional.
  
  › This field is only required and available for data entry if O0100F, ventilator or respirator, is checked.
  
  › Choose from the drop-down box:
    1. Less than once a week
    2. 1 to 6 times a week
    3. Once a day
    4. Twice a day
    5. 3 – 11 times a day
    6. 6 – 23 hours
    7. 24-hour continuous

  **S6c. Number of hospitalizations in the last 90 days.**
  Required.
  
  › Record the number of times the individual was admitted to hospital with an overnight stay in the last 90 days (or since last assessment if less than 90 days).
  
  › Enter 0 (zero) if no hospital admissions.
  
  › Valid range includes 0 – 90.

  **S6d. Number of emergency room visits in the last 90 days.**
  Required.
  
  › Record the number of times the individual visited the emergency room (ER) without an overnight stay in the last 90 days (or since last assessment if less than 90 days).
  
  › Enter 0 (zero) if no ER visits.
  
  › Valid range includes 0 – 90.
– S6e. Oxygen Therapy

Conditional.

This field is only required and available for data entry if O0100C, Oxygen therapy, is checked.

› Choose from the drop-down box:
  1. Less than once a week
  2. 1 to 6 times a week
  3. Once a day
  4. Twice a day
  5. 3 – 11 times a day
  6. 6 – 23 hours
  7. 24-hour continuous

– S6f. Special Ports/Central Lines/PICC.

Optional.

› Use this field to indicate if the individual has any type of implantable access system or central venous catheter (CVC). This includes epidural, intrathecal, or venous access or Peripherally Inserted Central Catheter (PICC) devices. This does not include hemodialysis or peritoneal dialysis access devices.

› Choose from the drop-down box:
  0. N = none present
  1. Y = 1 or more implantable access system or CVC
  2. U = unknown

– S6g. At what developmental level is the individual functioning?

Conditional.

› This is a required field for all assessments for individuals who are 20 years of age and younger based on birth date minus date of submission (TMHP Received date). Not available for data entry if the individual is 21 years of age or older.

› Choose from the drop-down box:
  – Unknown or unable to assess
  1. < 1 Infant
  2. 1 – 2 Toddler
  3. 3 – 5 Pre-School
  4. 6 – 10 School age
  5. 11 – 15 Young Adolescence
  6. 16 – 20 Older Adolescence

– S6h. Enter the number of times this individual has fallen in the last 90 days.

Required.

› Record number of times the individual has fallen in the last 90 days. Enter 0 (zero) if no falls.

› Each fall should be counted separately. So, if the individual has fallen multiple times in one day, count each fall individually.

› Valid range includes 0 – 999.
- **S6i.** In how many of the falls listed in S6h above was the individual physically restrained prior to the fall?  
  Conditional.  
  › This is a required field only if S6h indicates the individual has fallen.  
  › Valid range includes 0 with a maximum being the number entered in S6h.  
  › Enter 0 if no falls when the individual was physically restrained prior to the fall.

- **S6j.** In the falls listed in S6h above, how many had the following contributory factors?  
  Required  
  › More than one factor may apply to a fall. Indicate the number of falls for each contributory factor.

  - **S6j1 - Environmental** (debris, slick or wet floors, lighting, etc.).  
    Conditional.  
    › This field is required only if S6h indicates the individual has fallen.  
    › Valid range includes 0 with a maximum being the number entered in S6h.

  - **S6j2 - Medication(s).**  
    Conditional.  
    › This field is required only if S6h indicates the individual has fallen.  
    › Valid range includes 0 with a maximum being the number entered in S6h.

  - **S6j3 - Major Change in Medical Condition** (Myocardial Infarction [MI/Heart Attack], Cerebrovascular Accident [CVA/Stroke], Syncope [Fainting], etc.).  
    Conditional.  
    › This field is required only if S6h indicates the individual has fallen.  
    › Valid range includes 0 with a maximum being the number entered in S6h.

  - **S6j4 - Poor Balance/Weakness.**  
    Conditional.  
    › This field is required only if S6h indicates the individual has fallen.  
    › Valid range includes 0 with a maximum being the number entered in S6h.

  - **S6j5 - Confusion/Disorientation.**  
    Conditional.  
    › This field is required only if S6h indicates the individual has fallen.  
    › Valid range includes 0 with a maximum being the number entered in S6h.

  - **S6j6 - Assault by Individual or Caregiver.**  
    Conditional.  
    › This field is required only if S6h indicates the individual has fallen.  
    › Valid range includes 0 with a maximum being the number entered in S6h.
• **S7. Physician’s Evaluation & Recommendation.**
  
  – **S7a. Did an MD/DO certify that this individual requires Nursing Facility services or alternative community-based services under the supervision of an MD/DO?**

  Required.
  
  › In order to meet the requirements for these community programs, the individual must require Nursing Facility services or alternative community-based services under the supervision of an MD or DO. Submission of the assessment will not be allowed on the LTC Online Portal if No is selected.

  › This is a required field for the Initial Assessment. This field is optional for Annual and SCSA Assessments.

  › Choose from the drop-down box:
    1. No
    2. Yes

  – **S7b. Did a military physician providing health care according to requirements stipulated in 10 US Code 1094 provide the evaluation and recommendation for this individual?**

  Required.
  
  › If the licensed physician providing health care to this individual is practicing in a health-care facility of the Department of Defense (DOD), a civilian facility affiliated with the DOD, or any other location authorized by the Secretary of Defense, and is not licensed by the State of Texas, answer Yes to this item.

  › Choose from the drop-down box:
    1. No
    2. Yes

  – **S7c. MD/DO Last Name.**

  Required.

  › Enter the last name of the MD/DO.

  **Note:** The physician listed in sections S7c, S7d, and S7e is the physician on record that receives the MN determination letter.

  – **S7d. MD/DO License #.**

  Required.

  › Enter the license number of the MD/DO.

  › This number is validated against the appropriate State Medical Board file.

  › Physicians are not required to complete the RUG training.

  **Note:** The physician’s licensing information is a vital piece of information. Therefore, the physician’s license number is required on all MN/LOC submissions, regardless of the Reason for Assessment (A0310A).
- **S7e. MD/DO License State.**
  Required.
  › Choose the state in which the MD/DO is licensed from the drop-down box.

- Indicate Physician Signature on file by checking box.
  The box under the License State is required to be checked for Initial Assessments, it is optional for Annual and SCSA Assessments.

Fields S7f through S7j is required information if the MD/DO is not licensed in Texas.

Enter the address and telephone number of the facility in which the physician providing the evaluation and recommendation practices in S7g-S7k. *This information will be used to mail MN determination letters.*

- **S7f. MD/DO Last Name.**
  Conditional.
  › This field is required if the MD/DO is not licensed in Texas.
  › Enter the first name of the individual’s MD/DO.
  › This information is used to mail MN determination letters.

- **S7g. MD/DO Address.**
  Conditional.
  › This field is required if the MD/DO is not licensed in Texas.
  › Enter the street address of the individual’s MD/DO.
  › This information is used to mail MN determination letters.

- **S7h. MD/DO City.**
  Conditional.
  › This field is required if the MD/DO is not licensed in Texas.
  › Enter the city of the individual’s MD/DO mailing address.
  › This information is used to mail MN determination letters.
  › If a city has a hyphen in the city name, replace the hyphen with a space.
  › If a city has an apostrophe in the city name, enter the city name without the apostrophe.

- **S7i. MD/DO State.**
  Conditional.
  › This field is required if the MD/DO is not licensed in Texas.
  › Choose the state of the individual’s MD/DO mailing address from the drop-down box.
  › This information is used to mail MN determination letters.

- **S7j. MD/DO ZIP Code.**
  Conditional.
  › This field is required if the MD/DO is not licensed in Texas.
  › Enter the ZIP Code of the individual’s MD/DO mailing address.
  › This information is used to mail MN determination letters.
– S7k. MD/DO Phone.
  Optional.
  › This field is optional if the MD/DO is not licensed in Texas.
  › Enter the telephone number of the individual’s MD/DO.
  › This information is used to contact MD/DO if necessary.

• **S9. Medications**

  30-Day Look-back
  – Medication Certification. I certify this individual is taking no medications or the medications listed below are correct.
    Required.
    › Check the Medication Certification box to verify that the individual has no medications or that the individual has medications and that they are listed correctly in the medication table to include name, dose, route of administration (RA), frequency (Freq), and as necessary – number of doses (PRN-n).

When a medication is added, the information that is required to be entered is:
– Medication Name and Dose Ordered
– Route of Administration
– Frequency
– PRN - Number of doses (required if the frequency chosen is PRN)

![Medications Table]

• **S10. Comments.**

  Optional.

  The comments field allows up to 500 characters to be entered. It is essential to include signs and symptoms that present an accurate picture of the individual’s condition. The “Comments” section can be used for additional qualifying data that indicates the need for skilled nursing care, such as:
  – Pertinent medical history.
  – Ability to understand medications.
  – Ability to understand changes in condition.
  – Abnormal vital signs.
  – Previous attempts at outpatient management of medical condition.
  – Results of abnormal lab work.
S11. Advanced Care Planning.

What is Advance Care Planning?

Advance care planning means planning ahead for how the individual wants to be treated if ill or near death. Sometimes when people are in an accident or have an illness that will cause them to die, they are not able to talk or to let others know how they feel.

Advance care planning is a five-step process that should be discussed with the individual.

1. Thinking about what you would want to happen if you could not talk or communicate with anyone.
2. Finding out about what kind of choices you will need to make if you become very ill at home, in a nursing home, or in a hospital.
3. Talking with your family and doctor about how you want to be treated.
4. Filling out papers that spell out what you want if you are in an accident or become sick.
5. Telling people what you have decided.

– S11a. Does the individual/caregiver report having a legally authorized representative?

Required.

› Legally Authorized Representative is a person authorized by law to act on behalf of a person, and may include a parent, guardian, or managing conservator of a minor, or the guardian of an adult.

› Choose from the drop-down box:

0. No
1. Yes

– S11b. Does the individual/caregiver report having a Directive to Physicians and Family or Surrogates?

Required.

› Directive to Physician is a document that communicates an individual’s wishes about medical treatment at some time in the future when he or she is unable to make their wishes known because of illness or injury.

› Choose from the drop-down box:

0. No
1. Yes

– S11c. Does the individual/caregiver report having a Medical Power of Attorney?

Required.

› Choose from the drop-down box:

0. No
1. Yes

- What is an Out-of-Hospital Do Not Resuscitate Order (OOHDNR)?
- This form is for use when an individual is not in the hospital. It lets the person tell health-care workers, including Emergency Medical Services (EMS) workers, not to do some things if the person stops breathing or their heart stops. If an individual does not have one of these forms filled out, EMS workers will always give the person Cardiopulmonary Resuscitation (CPR) or advanced life support, even if the advance care planning forms say not to. A person should complete this form as well as the Directive to Physicians and Family or Surrogates and the Medical Power of Attorney form if they do not want CPR.
- Choose from the drop-down box:
  0. No
  1. Yes

S12. Legally Authorized Representative (LAR) Address.

**Note:** In the future, this information may be used to send MN determination letters to the LAR when indicated on the assessment.

- S12a. LAR First Name. Conditional.
  - This is a required field if S11a is indicated as 1. Yes, Does the individual report having a legally authorized representative?
  - Enter the first name of the Legally Authorized Representative.

- S12b. LAR Last Name. Conditional.
  - This is a required field if S11a is indicated as 1. Yes, Does the individual report having a legally authorized representative?
  - Enter the last name of the Legally Authorized Representative.

  - This is a required field if S11a is indicated as 1. Yes, Does the individual report having a legally authorized representative?
  - Enter the street address of the Legally Authorized Representative.

  - This is a required field if S11a is indicated as 1. Yes, Does the individual report having a legally authorized representative?
  - Enter the city of the Legally Authorized Representative.
  - If a city has a hyphen in the city name, replace the hyphen with a space.
  - If a city has an apostrophe in the city name, enter the city name without the apostrophe.
– S12e. State.
  Conditional.
  › This is a required field if S11a is indicated as 1. Yes, Does the individual report having a legally authorized representative?
  › Enter the state of the Legally Authorized Representative.

– S12f. ZIP Code.
  Conditional.
  › This is a required field if S11a is indicated as 1. Yes, Does the individual report having a legally authorized representative?
  › Enter the ZIP Code of the Legally Authorized Representative.

– S12g. Phone.
  Optional.
  › Enter the contact telephone number for the Legally Authorized Representative, if known.
H1700 / Individual Service Plan (ISP) Form

What is the ISP Form?

The H1700-1 / Individual Service Plan form is used by the STAR+PLUS HCBS program. This form is submitted on the LTC Online portal. Before an IPS can be submitted for an individual, they must have an MN/LOC in Processed / Complete or CS Processed Complete status. Before an ISP can be submitted for an individual, they must have a Medical Necessity (MN) assessment on file.

Note: if the MN/LOC is not in one of the above statuses the ISP should not be submitted. MCOs should work with their regional PSU team to resolve MN/LOC errors they are unable to fix.

Features of Submitting ISP Forms on the LTC Online Portal

• Many fields autopopulate with information from an individual’s MN.
• Track forms with Form Status Inquiry.
• 24/7 availability
• Texas Medicaid & Healthcare Partnership (TMHP) provides LTC Online Portal technical support by telephone at 1-800-626-4117, Option 1 for Customer Service then Option 5, from 7:00 a.m. – 7:00 p.m., Central Time, Monday through Friday – excluding holidays.

Submitting an ISP

1. When the blue navigational bar is displayed, click the Submit Form link.
2. You may need to reenter your security credentials.
3. From the “Type of Form” drop-down menu, select “H1700-1 STAR+PLUS HCBS Waiver Individual Service Plan.”

4. Select the appropriate vendor or provider number, if applicable.

5. Enter the individual’s Medicaid number in the Medicaid Number field.
6. Click the “Enter Form” button in the bottom right corner of the screen. The form will appear.

The form may take a moment to populate fields from the individual’s most recent MN/LOC assessment in a finalized status. Auto-populated fields are not editable.

Required fields are indicated by a red dot.

The form sections of the ISP are:

- MCO Organization Information;
- Applicant/Member Information;
- Individual Service Plan Event; and
- Individual Service Plan Services.
Completing the H1700 / ISP Form Fields

1. Complete the “Service Coordinator” field.

2. Select the correct county from the “County” drop-down menu.

Note: Applicant/Member section of the ISP form will be autopopulated using information from their recent MN/LOC assessment in a finalized status.

3. In the Applicant/Member section of the form, verify that the Medicaid number is correct. It is a required field.

4. Check the ME-Waiver box, if applicable, for the individual.

Note: The “Type Authorization” indicates whether the current ISP will be submitted as an Initial ISP or a Reassessment. This field automatically determines whether the ISP is an Initial or a Reassessment based on the dates entered below and whether or not the individual has an existing ISP on file. If the ISP has been out of date for 120 days, it resets to an “Initial” assessment. Backdating is possible; this makes it possible to submit the ISP as a Reassessment instead of an Initial Assessment. Backdating must go back far enough to fall within the 120 day reassessment window, and appropriate SAS registration codes (example: Service Group 19/Service Code 13) must be filed for backdated months, and Service Group 19/Service Code 12 should be completed for upcoming months.

5. Enter the “ISP From Date.” You can complete the “ISP From Date” field using the interactive calendar. The “ISP From Date” must be the first day of the selected month. The ISP expires one calendar year after the “ISP From Date.” The “ISP To Date” cannot be edited and will autopopulate based on the “ISP From Date” field.

6. Choose the appropriate option from the required “Enrolled From” drop-down menu.
7. Check the MFPD box if the applicant/member qualifies for a Money Follows Person Demonstration.

8. Choose the appropriate option from the required “Living Arrangement after Entry into SPW” field.

![Individual Service Plan Event]

**Note:** The final section on the ISP form is titled “Individual Service Plan Services.” This is a required section. You must enter at least one service to submit the ISP.

9. To enter a service:
   
   – Use the drop-down menu to select the appropriate option in the “Delivery Option” column.
   
   – Based on your selection, a new drop-down menu will populate in the required “Service Category” column. Use it to select the correct Service Category.

**Note:** Once a Service Category has been selected, it will no longer be available on the Service Category list when adding additional Service rows.

10. Complete the required “Estimated Annual Service Units” column.

11. Complete the required “Rate” column.

12. The “Estimated Annual Cost” column will autopopulate.
13. Add new Service Categories as necessary.

**Note:** To add additional Service Categories, click the “Add Service” button and repeat the steps above. When multiple Service rows exist, a new column will appear on the right hand side of the screen and each Service row will have a “Delete Service” button. Clicking the “Delete Service” button will instantly delete that Service row. If you erroneously delete a Service row, you will need to click the “Add Service” button and re-enter the information.

14. Select an option from the required “Ventilator Use” drop-down menu.

**Note:** If the “Total Estimated Waiver Cost” exceeds the “Annual Cost Limit,” a new checkbox titled “Over Annual Cost Limit override with GR approval” will appear. If this box is present, it must be selected before the form can be submitted. Note that this will automatically flag the ISP for review by Health and Human Services (HHS) staff.

15. Click the “Submit Form” button at the bottom right of the screen.

**Note:** If the ISP is flagged for review by HHS staff, it can be tracked using the Form Status Inquiry (FSI) or Power Search tools on the blue navigational bar. Additionally, submitted ISPs may be found for 14 calendar days by clicking the [Current Activity](#) link on the blue navigational bar.

---

**Submitting Individual ISP forms by Multiple Users**

Occasionally, multiple users may need to input data on an ISP form prior to submission. This can be accomplished by using the “Save as Draft” function at the top of the form.

1. Fill out as many fields on the ISP form as possible using the steps described above.
2. Instead of clicking “Submit Form,” scroll back to the top of the form and Click the “Save as Draft” button.

3. The ISP will now be available on the Drafts page.

4. Other users linked to that contract may now access the ISP form by clicking the Drafts link on the blue navigational bar.

5. Once the form is completed, it can be submitted by following the steps described above.
Medical Necessity and the MN Determination Process

Definition of Medical Necessity

Texas Administrative Code (TAC), Title 40, Part 1, Chapter 19, includes the state rules governing licensed only Nursing Facilities and Medicaid Nursing Facilities. 40 TAC §19.101 (73) states:

Medical Necessity is the determination that a recipient requires the services of licensed nurses in an institutional setting to carry out the physician’s planned regimen for total care. A recipient’s need for custodial care in a 24-hour institutional setting does not constitute a medical need. A group of health-care professionals employed or contracted by the Medicaid claims administrator contracted with HHSC makes individual determinations of Medical Necessity regarding nursing facility care. These health-care professionals consist of physicians and registered nurses.

General Qualifications for Medical Necessity Determinations

TAC Title 40, Part 1, Chapter 19, §19.2401 states:

Medical Necessity is the prerequisite for participation in the Medicaid (Title XIX) Long-term Care program. This section contains the general qualifications for a Medical Necessity determination. To verify that Medical Necessity exists, an individual must meet the conditions described in paragraphs (1) and (2) of this section.

(1) The individual must demonstrate a medical condition that:
   (A) is of sufficient seriousness that the individual’s needs exceed the routine care which may be given by an untrained person; and
   (B) requires licensed nurses’ supervision, assessment, planning, and intervention that are available only in an institution.

(2) The individual must require medical or nursing services that:
   (A) are ordered by the physician;
   (B) are dependent upon the individual’s documented medical conditions;
   (C) require the skills of a registered nurse or licensed vocational nurse;
   (D) are provided either directly by or under the supervision of a licensed nurse in an institutional setting; and
   (E) are required on a regular basis.
Note: MN is not the only prerequisite to qualify for LTC Medicaid Community Services Waiver programs.

Medical Necessity Determination Process

This flowchart provides a high-level overview of the process used for determination of MN.

1. The TMHP nurse has five business days to review assessments and determine MN.

   TMHP systems automatically review specific criteria on the assessments. If the criteria are appropriately met, the assessment is automatically approved. If not, the provider will see “The Form has failed Auto MN Approval” displayed in the History trail of the assessment. The assessment will then be sent to a nurse for manual MN review. The assessment will be set to status Pending Review on the FSI search results. However, the last message showing in the History trail will be “The Form has failed Auto MN Approval.”

2. Once reviewed, the assessment is either approved (meeting MN) or set to status Pending Denial (need more information) for up to 21 calendar days. FSI or Current Activity will allow the provider to view the status of an assessment during the MN determination process.

3. The provider may supply additional information clarifying nursing/medical needs through the “Add Note” feature on the LTC Online Portal or by calling TMHP and speaking with a TMHP nurse.

4. If the TMHP nurse determines that MN has been met, the assessment is approved.

5. If the TMHP nurse still cannot determine any licensed nursing need, the individual’s assessment is sent to the TMHP physician for an MN determination.
6. If the TMHP physician determines that MN has been met, the assessment is approved.

7. If the MN is denied by the TMHP physician, notification of denied MN is sent to the individual and the physician of record, as specified in the LTCMI, via mail. The provider will have access to the status of the assessment via FSI or Current Activity on the LTC Online Portal.

8. The attending physician may respond within 14 business days of the date of the denial letter by faxing or calling TMHP with additional medical information (TAC Title 40, Part 1, Chapter 19, §19.2407). Or, a licensed nurse familiar with the individual may provide additional information by calling and speaking with a TMHP nurse.

9. If the TMHP physician or nurse determines that MN has been met, the assessment is approved.

10. If the TMHP physician determines that MN has not been met, the assessment remains in a **denied** status.

11. If the provider does not provide additional information clarifying nursing/medical needs within the 21 calendar days of **Pending Denial (need more information)** status, the assessment is sent to the TMHP physician for review, and steps 7 – 11 will apply.

12. The individual may initiate the appeal process when notified by a HHS case manager via the Form 2065-C, that MN has been denied by the TMHP physician. If a hearing is requested, additional information may be submitted at any time by the provider or by the individual’s physician either via a telephone call to the TMHP nurses or via fax.

**Note:** At any point, providers can check the status of the assessment and the MN determination for the assessment by utilizing the LTC Online Portal features FSI or Current Activity.

---

**Request for Fair Hearing**

A fair hearing is an informal, orderly, and readily available proceeding held before an impartial health and human services enterprise hearing officer. At the hearing, an individual/applicant (appellant), or their representative, including legal counsel, may present the case as they wish to show that any action, inaction, or agency policy affecting the case should be reviewed.

The individual or the individual’s responsible party may request a fair hearing on behalf of the individual within 90 days from the notice of adverse action date.

If a PACE participant receives a letter denying MN and giving them the right to request a fair hearing, the individual must request a fair hearing within twelve days of the date of the letter for Medicaid payment to continue until the fair hearing decision. Medicaid payment will continue if the individual was already receiving services.

Form 4803, Acknowledgement and Notice of Fair Hearing, serves as a notice of the fair hearing. It is sent to the appellant to acknowledge the receipt of a request for a hearing and to set a time, date, and place for the hearing. Form 4803 will be sent to all known parties and required witnesses at least ten calendar days in advance of the hearing.

The fair hearing is held at a reasonable place and time. They are normally scheduled in the order in which requests are received and are usually held via teleconference.

Appellants may present their own case, or bring a friend, relative, or attorney to present their case. Health and Human Services enterprise does not pay attorney fees. Appellants may request additional time to prepare for their case by contacting the hearing officer.

Appellants may request an interpreter at no cost. However, appellants must notify the hearing officer at least two days before the hearing if they are going to require an interpreter.
Before and during the hearing, appellants and their representatives have the right to examine the documents, records, and evidence that HHS will use. To see medical evidence before the hearing, the appellant must make a written request to the hearing officer. The appellant may bring witnesses and present facts and details about the case. The appellant may also question or disagree with any testimony or evidence that is presented by the department.

Appellants have the right to know all the information the hearing officer examines in making the decision. The laws and policies which apply to the appellant’s case and the reasons for HHS’ action will be explained.

The hearing officer will issue a final written order. The decision by the hearing officer is HHS’ final administrative decision. If the appellant believes the hearing officer did not follow applicable policy and procedures, the appellant can submit a request for administrative review within 30 days of the date of the decision. The appellant submits the request for administrative review to the hearing officer, who will forward the request to the appropriate legal office for review.

Note: The process for waiver managed care members and the MCOs to follow is included in the STAR+PLUS handbook (https://hhs.texas.gov/laws-regulations/handbooks/starplus-handbook)
Assessment Statuses

Providers can monitor the status of their MN/LOC Assessment by utilizing FSI or Current Activity on the LTC Online Portal. The status is shown within the FSI or Current Activity results; or, once a specific assessment is selected, the status can be located at the top of the page or at the bottom of the assessment in the History trail. The following are statuses that a provider may see, and their definition:

- **Appealed:** The assessment was previously denied and the individual or their representative has requested a fair hearing.

- **Approved:** MN has been determined and approved. Assessments that are MN approved will only stay in this status momentarily. They will automatically move to the next status in the workflow. This status is not searchable using FSI.

- **Corrected:** This assessment has been corrected by the submitting provider. There will be a new DLN located in the History trail indicating the replacement DLN for the corrected assessment. No further actions are allowed on assessments with a status of corrected.

- **Denied:** The assessment has been reviewed by the TMHP doctor who has determined that the information did not support MN.

- **Escalated Needs Review:** The assessment has been escalated for review.

- **Form Inactivated:** This assessment has been inactivated by the submitting provider. No further action will be allowed on this assessment.

- **ID Invalid:** Medicaid ID validation failed. Contact the Medicaid Eligibility Worker to verify the individual’s name, SSN, and Medicaid ID. A new assessment with the correct information will need to be submitted.

- **Invalid/Complete:** Per HHS, this assessment has been deemed invalid. The reason can be found in the History trail. A new assessment must be submitted with the correct information.

- **Med ID Check Inactive:** Medicaid ID validation attempted nightly for six months and failed or the request was canceled. The provider may restart the assessment once the reason for failed validation has been resolved by the Medicaid Eligibility Worker by clicking the “Reactivate Form” button on the Form Action Toolbar and then selecting Change Status on the page that displays.

- **Medicaid ID Pending:** Medicaid ID validation is pending. Validation attempts occur nightly until deemed valid, invalid, or until six months has expired, whichever comes first. Contact the Medicaid Eligibility Worker to verify the individual’s name, SSN, and Medicaid ID.

- **Out of State MD/DO License Invalid:** TMHP has performed a manual check on the out-of-state license and determined it to be invalid. If the information on the assessment is incorrect, the provider can submit a correction within 14 calendar days of original submission to correct the erroneous information.

- **Out of State MD/DO License Valid:** TMHP has performed a manual check on the out-of-state license and determined it to be valid. The assessment will continue through the workflow.
• **Out-of-State RN License Invalid:** TMHP has performed a manual check on the out-of-state license and determined it to be invalid. This often happens because the provider entered the wrong state. If the information on the assessment is incorrect, the provider can submit a correction within 14 calendar days of submission to fix the erroneous information.

• **Overturned Doctor Review:** Assessment was denied MN, and the provider has supplied additional information for review. The assessment is pending TMHP doctor review for MN determination.

• **Pending Denial (need more information):** This status occurs when the information is reviewed by a TMHP Nurse and does not support MN. The provider has up to 21 calendar days to give additional information for further consideration either by telephone or by using the “Add Note” feature on the LTC Online Portal. The TMHP nurse did not find the assessment to be qualified for MN. Provider has 21 calendar days to submit additional information for consideration.

• **Pending MD/DO License Verification:** MD/DO License number is pending manual verification by TMHP for licenses that are issued from states other than Texas. TMHP will validate the MD/DO License number entered in field S7d of the LTCMI, and set assessment status to either **Out of State MD/DO License Valid** or **Out of State MD/DO License Invalid**. If status is set to **Out of State MD/DO License Valid**, the assessment will continue to process through the workflow.

• **Pending More Info:** Appears when the form is in the CS Workflow, and HHS is waiting for more information from the provider. Information required may be found within the assessment History trail.

• **Pending Review:** Assessment is waiting for TMHP RN to manually review it for MN.

• **Pending RN License Verification:** RN License number is pending manual verification by TMHP from the Texas BON or the licensing state from which the compact license was issued.

• **Processed/Complete:** Assessment has been processed and complete. Check Medicaid Eligibility and Service Authorization Verification (MESAV).

• **Provider Action Required:** Assessment must be reviewed by the provider due to the assessment being rejected by Service Authorization System (SAS). Refer to the assessment History trail for the specific error message. The error message must be resolved before further processing of assessment will occur.

• **SAS Request Pending:** Assessment has passed all TMHP validations and will be sent from TMHP to DADS/HHS for SAS processing. Allow two to four business days for the next status change.

• **Submitted to CS manual workflow:** Assessment has been submitted to HHS due to the assessment being rejected by SAS. Refer to the assessment History trail for additional information. HHS will review this assessment within ten business days. While the assessment is being reviewed, no action is required on the part of the provider.
Provider Workflow Process

Provider workflow allows providers to independently manage their assessments when errors in the Medicaid system processing occur. The assessments moving through the provider workflow require the provider to take action for the issue to be resolved. The benefit to the provider is a shorter resolution time, since providers can resolve their own errors.

In summary, assessments are sent to the provider workflow when the assessment is set to status Provider Action Required.

Assessments reach this status if:

- The assessment was not successfully processed.
- An error occurred during the nightly batch processing.

The provider workflow is the responsibility of the provider to monitor and manage. System processing errors, including rejection messages, are found within the History trail of the assessment, and the assessment is set to status Provider Action Required. Once an assessment is set to status Provider Action Required, the assessment will require provider action before processing on that particular assessment continues.

If a system error occurs, the error will display in the History trail of the assessment. The assessment is set to status Provider Action Required.

Finding Assessments with Provider Action Required Status

To find the items in your provider workflow (i.e., those items with system processing errors to be resolved by the provider):

1. Click or hover over the Search link in the blue navigational bar.
2. Click Form Status Inquiry in the drop-down menu.
3. Choose Type of Form: **Waiver 3.0: Medical Necessity and Level of Care Assessment** from the drop-down box.

4. Enter the “From Date” and “To Date” range in the fields allocated.

5. Form Status: Choose **Provider Action Required** from the drop-down box.
6. Click the “Search” button located on the bottom right of the screen to submit the Inquiry.

7. All Waiver 3.0 Medical Necessity and Level of Care Assessments that are set to status **Provider Action Required** will display.

**Note:** For confidentiality purposes, the assessment details (Medicaid #, etc.) have been hidden in the User Guide.

8. Click the **View Detail** link to open the assessment.

9. Scroll to the bottom of the page to view the History trail.

10. Find **Provider Action Required** status on the far left.
11. Find the rejection message in the white line just below \textit{Provider Action Required}.

12. Perform the necessary research to resolve the error. For more information on the error messages, see the “Provider Workflow Rejection Messages” section of this User Guide.

13. Depending on the provider research, a provider has one of three options to move the assessment out of the provider workflow. These are Correct this form, Inactivate form, or Resubmit form.

   - **Correct this form.** Correct this form allows provider to submit a correction within 14 calendar days of the original submission date. The original assessment with a status of \textit{Provider Action Required} will be set to status \textit{Corrected} and will have a parent relationship DLN to the new/child assessment. The new assessment replaces the original assessment.

   ![Correct this form screenshot]

   All fields are correctable except for the following:

<table>
<thead>
<tr>
<th>Waiver 3.0: MN/LOC Assessment</th>
</tr>
</thead>
<tbody>
<tr>
<td>A0500c</td>
</tr>
<tr>
<td>A0600a</td>
</tr>
<tr>
<td>A0600b</td>
</tr>
<tr>
<td>A0700</td>
</tr>
<tr>
<td>A0310a</td>
</tr>
<tr>
<td>Z0500b</td>
</tr>
<tr>
<td>S5a-S5m</td>
</tr>
<tr>
<td>S2a</td>
</tr>
<tr>
<td>S2b</td>
</tr>
<tr>
<td>S2c</td>
</tr>
<tr>
<td>S2d</td>
</tr>
</tbody>
</table>
- **Inactivate Form.** Inactivate Form will inactivate the assessment. The status of the assessment will then set to status *Form Inactivated*. An example of when this “Inactivate Form” button would be used is when the provider research indicates the assessment being submitted is a duplicate.

![Inactivate Form](image)

If the provider clicks the “Inactivate Form” button, the provider will receive the following confirmation window:

![Confirmation Window](image)

From here you have two choices:

a. Click the “OK” button to Inactivate, and the assessment will set to status *Form Inactivated*.

or

b. Click the “Cancel” button to cancel the Inactivation request, keeping the assessment set to status *Provider Action Required*.

- **Resubmit Form.** Resubmit Form will set assessment to status *SAS Request Pending*. The assessment will process during the nightly system processing. Check the status of the assessment the next day to determine if the assessment processed successfully. The assessment will be set to status *Processed/Complete* if successfully processed. The Resubmit Form button will only be used after a provider has been instructed to do so by HHS.
If the provider clicks the “Resubmit Form” button, the following screen will appear allowing the provider to add any comments:

![Screen showing options for comments]

There is an option to select “2-System” or “1-ProviderFacing.”

- **2-System**: will allow comments entered by the provider to be seen only by internal state staff. The comments will not be seen by the provider.
- **1-ProviderFacing**: will allow comments entered to be seen by both state staff and the provider.

In either case, the comments will be seen in the History trail of the assessment and are for informational purposes only. These comments will *not* be used in the system processing of the assessments.

The provider may choose to enter comments. Entering comments is optional.

a. Click the “Cancel” button to cancel the request, keeping the assessment set to status *Provider Action Required*.

   or

b. Click the “Change Status” button to move the assessment out of status: *Provider Action Required*.

14. Once one of the actions have been completed—Correct this form, Inactivate form, or Resubmit Form—the status of the form or assessment will no longer be set to status *Provider Action Required*. Processing will continue based upon action chosen.

15. Repeat all of the steps for finding Waiver 3.0: Medical Necessity and Level of Care Assessments set to status *Provider Action Required* until there are no results found.

## Provider Workflow Rejection Messages

Below are the rejection messages providers will receive as a result of an error occurring during the nightly batch processing. The messages are in order of message number.

The table contains four columns:

<table>
<thead>
<tr>
<th></th>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Waiver 3.0: MN/LOC Assessment</strong></td>
<td></td>
<td></td>
</tr>
<tr>
<td>A0310a = 01. Initial Assessment.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>A0310a = 03. Annual Assessment.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>A0310a = 04. Significant change in status assessment (SCSA).</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
4. **Suggested Action.** Most likely the Workflow Action Button to be used.

Corrections

If incorrect data is submitted on the MN/LOC Assessment, the provider can submit a correction within 14 calendar days of the original submission by clicking the “Correct this form” button. However, not all fields are correctable (see list of fields unable to be corrected in the “Provider Workflow” section).

Examples of incorrect data include:

- Individual is listed as a male, but is actually a female.
- Individual’s diagnosis indicates diabetes, but the individual actually has hypoglycemia.
- If corrections to the MN/LOC Assessment are needed, providers must access the assessment utilizing FSI or Current Activity.

**When to correct assessment?**

MN/LOC Assessments can only be corrected during the 14 calendar day time period following the original submission date. The fields below are non-correctable.

<table>
<thead>
<tr>
<th>Waiver 3.0: MN/LOC Assessment</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>A0500c</td>
<td>Individual Name (does not allow changes to last name)</td>
</tr>
<tr>
<td>A0600a</td>
<td>Social Security Number</td>
</tr>
<tr>
<td>A0600b</td>
<td>Medicare (or comparable railroad insurance number)</td>
</tr>
<tr>
<td>A0700</td>
<td>Medicaid Number</td>
</tr>
<tr>
<td>A0310a</td>
<td>Type of Assessment/Tracking</td>
</tr>
<tr>
<td>Z0500b</td>
<td>Date Assessment Completed</td>
</tr>
<tr>
<td>S5a-S5m</td>
<td>Licenses section</td>
</tr>
<tr>
<td>S2a</td>
<td>DADS Vendor/Site ID</td>
</tr>
<tr>
<td>S2b</td>
<td>Provider Number</td>
</tr>
<tr>
<td>S2c</td>
<td>Service Group</td>
</tr>
<tr>
<td>S2d</td>
<td>NPI Number</td>
</tr>
</tbody>
</table>

**Who may submit the correction?**

It does not have to be the original submitter, but it has to be from the same vendor/provider number. Regardless of the current status of an MN/LOC Assessment, corrections will not be allowed to assessments that have at any time been set to status *Form Inactivated, Invalid/Complete, SAS Request Pending*, or *Corrected*. The “Correct this form” button will not be displayed in the yellow Form Actions bar on any assessment that cannot be corrected. Corrections are processed overnight, and providers must wait until the following day to see changes.
How to Submit a Correction

1. Click or hover over the Search link on the blue navigational bar.

2. Click the Form Status Inquiry link from the drop-down box.

3. Type of Form: Choose Waiver 3.0: Medical Necessity and Level of Care Assessment from the drop-down box.

4. Enter data for all required fields as indicated by the red dots. Narrow results by entering specific criteria in the additional fields: “DLN,” “Last Name,” “First Name,” “SSN,” “Medicaid Number,” “Form Status,” “From Date,” and “To Date.”

5. Click the “Search” button.

6. Click the View Detail link of the requested assessment.
7. Click the “Correct this form” button.

8. Complete only the fields needing correction.

9. Click the “Submit Form” button.

10. The original assessment (parent) is set to status Corrected and the new assessment (child) DLN is assigned, creating the parent/child DLN relationship. The new child assessment replaces the parent assessment.
Inactivations

Assessments may need to be inactivated when fields cannot be corrected as needed (e.g., Medicaid #, Individual Name). MN/LOC Assessments can be inactivated through the LTC Online Portal by first retrieving the assessment using FSI or Current Activity. Once the assessment is inactivated, it will be set to status **Form Inactivated**. The assessment cannot be reactivated; however, it can still be used as a template.

**When to inactivate?**

There are no time limitations on performing an inactivation. Providers may perform an inactivation when an assessment needs to stop processing in the workflow, if an assessment needs to be canceled that has already processed to completion, or when fields cannot be corrected as needed (e.g., Medicaid #, Individual Name).

**Who may inactivate?**

Inactivations may be performed based on the vendor/contract who submitted the assessment originally. None of the HHS or TMHP teams (Community Services [CS] Workers, CS Team Leads (CS contacts may be found at: [https://hhs.texas.gov/about-hhs/find-us/community-services-regional-contacts](https://hhs.texas.gov/about-hhs/find-us/community-services-regional-contacts)), and TMHP Operations) may submit an inactivation on an MN/LOC Assessment.

Note: When inactivating MN/LOC 3.0 Assessments, a note must be entered identifying why the form or screening was inactivated. This note will be added to the History trail.
How to Inactivate an Assessment

1. Login to the LTC Online Portal.
2. Click or hover over the Search or Worklist links on the blue navigational bar.
3. Click the Form Status Inquiry or Current Activity link, respectively.
4. Click the View Detail link.
5. Click the “Inactivate Form” button.
6. Click the “OK” button when the pop-up window asks “Are you sure you want to Inactivate this form? If so, click ‘Ok’ and enter a note to explain the reason for inactivation.”
7. When the Change Status window appears, enter a note for the inactivation and click the “Change Status” button. The assessment will be set to status Form Inactivated and cannot be reactivated.
RUG Training Requirements

A Resource Utilization Group (RUG) level is the measure of the care needs of an individual. The TMHP automated system uses a mathematical algorithm established by CMS to determine the RUG. This algorithm is used in all cases to automatically generate a RUG level based on the information entered by the nurse in the RUG fields of the MN/LOC Assessment. The State of Texas uses this systematic approach for community-based programs to categorize the care needs of the individual and establish the service plan cost limit. The RUG level determination is totally objective; neither HHS nor the TMHP nurse reviewing the MN/LOC determines the RUG level.

Below are examples of RUG levels

1. Extensive Services (SE3, SE2, SE1)
2. Rehabilitation All Levels (RAD, RAC, RAB, RAA)
3. Special Care (SSC, SSB, SSA)
4. Clinically Complex with/without Depression (CC2, CC1, CB2, CB1, CA2, CA1)
5. Cognitive Impairment with/without Nursing Rehab (IB2, IB1, IA2, IA1)
6. Behavior Problem with/without Nursing Rehab (BB2, BB1, BA2, BA1)
7. Physical Function with/without Nursing Rehab (PE2, PE1, PD2, PD1, PC2, PC1, PB2, PB1, PA2, PA1)

Each RUG level has a corresponding cost limit for the associated STAR+PLUS waiver programs. The cost limit is considered when developing the individual’s plan of care. It is a percentage of the reimbursement rate that would have been paid for that same individual to receive Nursing Facility services for a year.

RUG training is required for registered nurses to complete MN/LOC Assessments. Validation of completion of RUG training occurs at the time the MN/LOC is submitted on the TMHP LTC portal. Texas State University, in cooperation with the HHS Inspector General (IG), has made this training available through the university’s Office of Continuing Education’s online course programs. RUG training is valid for two years, then it must be renewed by completing the online RUG training via the Texas State University online training. Texas State University can take from four to seven business days to process and report completions of RUG training to TMHP, depending on current volume of enrollments and completions.

To register for the RUG training, or for more information visit:
http://www.txstate.edu/continuinged/CE-Online/RUG-Training.html
Reminders

- LTC Online Portal has 24/7 availability to submit and track assessments.
- Utilize FSI and Current Activity. These features will keep you informed of the status of your assessments.
- Print and sign the assessment prior to submission.
- Provide pertinent information in the “Comments” section.
- Submit additional information within 21 calendar days on the LTC Online Portal when the assessment is set to status *Pending Denial (need more information)* or call TMHP at 1-800-626-4117, Option 2. Refer to the “Add Note” section of this User Guide for instructions on how to do this.
- All RN and MD/DO licenses are validated against the appropriate licensing state board. Updates are received monthly, with MD licenses being updated within the first 10 days of the month and RN licenses being updated in the latter portion of the month (generally between the 20th and 25th). Be advised that delayed licensure renewal may result in a delay in form processing.
- Use the TMHP website at [www.tmhp.com/Pages/LTC/ltc_home.aspx](http://www.tmhp.com/Pages/LTC/ltc_home.aspx) for recent updates and new information.
- This User Guide can be found under the Help link located on the blue navigational bar within the LTC Online Portal.
Reporting Medicaid Waste, Abuse, and Fraud

Medicaid fraud: “An intentional deceit or misrepresentation made by a person with the knowledge that deception could result in some unauthorized benefit to himself or some other person. It includes any act that constitutes fraud under applicable federal or state law.”

How to Report Waste, Abuse, and Fraud

Reports may be made through the following website: https://oig.hhsc.state.tx.us. This website gives instructions on how to submit a report, as well as how to submit additional documentation that cannot be transmitted over the Internet. The website also provides information on the types of waste, abuse, and fraud to report to IG.

If you are not sure if an action is waste, abuse, or fraud of Texas Medicaid, report it to IG and let the investigators decide. If you are uncomfortable about submitting a report online, there is a telephone number for Client Fraud and Abuse reporting: 1-800-436-6184.
HIPAA Guidelines and Provider Responsibilities

Providers must comply with HIPAA. It is your responsibility to comply with HIPAA, to seek legal representation when needed, and to consult the manuals or speak to your TMHP Provider Representative when you have questions.

Additional Online Training

Webinar replays of the LTC Community Services Waiver Programs material are available on the TMHP Learning Management System (LMS).

Providers can access the above mentioned online training on the TMHP LMS as follows:

1. Go to [www.tmhp.com](http://www.tmhp.com) and click Providers in the top menu bar.

2. Click Provider Education in the left-side menu on any provider web page on this website. The Provider Education homepage displays.
3. Click **Computer-Based Training** in the left-side menu. Select which training you would like to view or access the LMS directly at [http://learn.tmhp.com](http://learn.tmhp.com).

4. Login to your LMS user account or create a new user account. New visitors to the LMS must create a user account to access the Webinar recording.
5. Use your cursor to hover over Provider Education in the top menu bar, and click **Computer-Based**.

6. Click the **Webinars** icon.

7. Scroll until you find the correct Webinar replay. Click on the icon.

8. Once you have clicked the **“Enroll In This Course”** button you will be able to view the replay.

9. Registered LMS users can access computer-based training, past webinars, and workshop materials 24 hours a day, 7 days a week.

To supplement your learning, additional online training is available 24-7 on the LMS including, but not limited to:

- Medicaid Basics CBT
- LTC Online Portal Basics CBT
- TexMedConnect for LTC Providers

Glossary

§1915(c) Medicaid Waiver - The provision of the Social Security Act that authorizes the Secretary of Health and Human Services to grant waivers of certain Medicaid statutory requirements. This provision allows a state to furnish home and community-based services to Medicaid beneficiaries who need a level of institutional care that is provided in a hospital, Nursing Facility, or intermediate care facility for persons with mental retardation.

Appeal - The formal process by which an applicant, provider, individual, or the applicant or individual's parent, guardian, or legally authorized representative requests a review of an adverse action.

Community First Choice (CFC) - A federal option, called Community First Choice, allows states to provide home and community-based attendant services and supports to Medicaid recipients with disabilities.

Fair Hearing - An administrative procedure that affords individuals the statutory right and opportunity to appeal adverse decisions/actions regarding program eligibility or termination, suspension, or reduction of services by the Department of Aging and Disability Services.

Individual - A person enrolled in a program.

Long Term Services and Supports (LTSS) - Services provided to an individual in the individual's home or other community-based setting that are necessary to allow the individual to remain in the most integrated setting possible.

Managed Care Organization (MCO) - Managed Care is a health-care system in which a defined network of health-care providers agree to coordinate and provide health care to a population in exchange for a specific payment per person. HHS determines which clients enroll in managed care, based on specific criteria, such as age and income source.

Program of All-Inclusive Care for the Elderly (PACE) - PACE provides community-based services to older individuals who qualify for Nursing Facility placement. PACE uses a comprehensive care approach, providing an array of services for a capitated monthly fee that is below the cost of comparable institutional care.

STAR+PLUS Providers - A 1915(c) Medicaid waiver program approved for the managed care delivery system that is designed to allow individuals who qualify for Nursing Facility care to receive long-term services and supports in order to be able to live in the community.

Section C  Cognitive Patterns

C0100. Should Brief Interview for Mental Status (C0200-C0500) be Conducted? – Attempt to conduct interview with the individual

Enter
0. No (individual is rarely/never understood) OR individual is less than 7 years of age, skip to and complete C0700-C1000, Caregiver Assessment for Mental Status
1. Yes → Continue to C0200, Repetition of Three Words

Brief Interview for Mental Status (BIMS)

C0200. Repetition of Three Words

Ask individual: “I am going to say three words for you to remember. Please repeat the words after I have said all three. The words are: sock, blue, and bed. Now tell me the three words.” Enter '-' Dash if unable to assess.

Number of words repeated after first attempt

Enter
0. None
1. One
2. Two
3. Three

After the individual's first attempt, repeat the words using cues (“sock, something to wear; blue, a color; bed, a piece of furniture”). You may repeat the words up to two more times.

C0300. Temporal Orientation (orientation to year, month, and day)

Ask individual: “Please tell me what year it is right now.” Enter '-' Dash if unable to assess.

A. Able to report correct year

Enter
0. Missed by > 5 years or no answer
1. Missed by 2–5 years
2. Missed by 1 year
3. Correct

Ask individual: “What month are we in right now?” Enter '-' Dash if unable to assess.

B. Able to report correct month

Enter
0. Missed by >1 month or no answer
1. Missed by 6 days to 1 month
2. Accurate within 5 days

Ask individual: “What day of the week is today?” Enter '-' Dash if unable to assess.

C. Able to report correct day of the week

Enter
0. Incorrect or no answer
1. Correct

C0400. Recall

Ask individual: “Let’s go back to an earlier question. What were those three words that I asked you to repeat?” If unable to remember a word, give cue (something to wear; a color; a piece of furniture) for that word. Enter '-' Dash if unable to assess.

A. Able to recall “sock”

Enter
0. No – could not recall
1. Yes, after cueing (“something to wear”)
2. Yes, no cue required

B. Able to recall “blue”

Enter
0. No – could not recall
1. Yes, after cueing (“a color”)
2. Yes, no cue required

C. Able to recall “bed”

Enter
0. No – could not recall
1. Yes, after cueing (“a piece of furniture”)
2. Yes, no cue required

C0500. Summary Score

The sum of the scores for questions C0200–C0400. The sum should be a number (00–15)

A score of 99 indicates that the individual was unable to complete the interview
**Section C  Cognitive Patterns**

### C0600. Should the Caregiver Assessment for Mental Status (C0700-C1000) be Conducted?

<table>
<thead>
<tr>
<th>Code</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>0</td>
<td>No (Individual was able to complete interview) → Skip to C1300, Signs and Symptoms of Delirium</td>

<th>Code</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>0</td>
<td>Memory OK</td>
</tr>
<tr>
<td>1</td>
<td>Memory problem</td>
</tr>
</tbody>
</table>

### C0900. Memory/Recall Ability

Down Check all that the individual was normally able to recall

- **A.** Current season
- **B.** Location of own room
- **C.** Caregiver names and faces
- **D.** That he or she is in their own home/room
- **Z.** None of the above were recalled

### C1000. Cognitive Skills for Daily Decision Making

- **Made decisions regarding tasks of daily life**
  - 0. Independent – decisions consistent/reasonable
  - 1. Modified independence – some difficulty in new situations only
  - 2. Moderately impaired – decisions poor; cues/supervision required
  - 3. Severely impaired – never/rarely made decisions

### Delirium

#### C1300. Signs and Symptoms of Delirium (from CAM©)*

**Code after completing** Brief Interview for Mental Status or Caregiver Assessment, and reviewing medical record

<table>
<thead>
<tr>
<th>Coding</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>0</td>
<td>Behavior not present</td>
</tr>
<tr>
<td>1</td>
<td>Behavior continuously present, does not fluctuate</td>
</tr>
<tr>
<td>2</td>
<td>Behavior present, fluctuates (comes and goes, changes in severity)</td>
</tr>
</tbody>
</table>

**Enter Codes in Boxes**

- **A.** Inattention – Did the individual have difficulty focusing attention (easily distracted, out of touch or difficulty following what was said)?
- **B.** Disorganized thinking – Was the individual’s thinking disorganized or incoherent (rambling or irrelevant conversation, unclear or illogical flow of ideas, or unpredictable switching from subject to subject)? Enter ‘-’ Dash if unable to assess.
- **C.** Altered level of consciousness – Did the individual have altered level of consciousness (e.g., vigilant – startled easily to any sound or touch; lethargic – repeatedly dozed off when being asked questions, but responded to voice or touch; stuporous – very difficult to arouse and keep aroused for the interview; comatose – could not be aroused)?
- **D.** Psychomotor retardation – Did the individual have an unusually decreased level of activity such as sluggishness, staring into space, staying in one position, moving very slowly?

### C1600. Acute Onset Mental Status Change

- **Is there evidence of an acute change in mental status** from the individual’s baseline?
  - 0. No
  - 1. Yes
    - No information/not assessed

Section D  Mood

D0100. Should Individual Mood Interview be Conducted? – Attempt to conduct interview with the individual

<table>
<thead>
<tr>
<th>Enter Code</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>0.</td>
<td>No (Individual is rarely/never understood) OR individual is less than 7 years of age → Skip to and complete D0500 -D0600, Caregiver Assessment of Individual Mood (PHQ-9-OV)</td>
</tr>
<tr>
<td>1.</td>
<td>Yes → Continue to D0200, Individual Mood Interview (PHQ-9©)</td>
</tr>
</tbody>
</table>

D0200. Individual Mood Interview (PHQ-9©)

Say to individual: “Over the last 2 weeks, have you been bothered by any of the following problems?”

If symptom is present, enter 1 (yes) in column 1, Symptom Presence.
If yes in column 1, then ask the individual: “About how often have you been bothered by this?”
Read and show the individual a card with the symptom frequency choices. Indicate response in column 2, Symptom Frequency.

<table>
<thead>
<tr>
<th>1. Symptom Presence</th>
<th>2. Symptom Frequency</th>
</tr>
</thead>
<tbody>
<tr>
<td>0.</td>
<td>Never or 1 day</td>
</tr>
<tr>
<td>1.</td>
<td>2–6 days (several days)</td>
</tr>
<tr>
<td>9.</td>
<td>7–11 days (half or more of the days)</td>
</tr>
<tr>
<td>9.</td>
<td>12–14 days (nearly every day)</td>
</tr>
</tbody>
</table>

A. Little interest or pleasure in doing things
B. Feeling down, depressed, or hopeless
C. Trouble falling or staying asleep, or sleeping too much
D. Feeling tired or having little energy
E. Poor appetite or overeating
F. Feeling bad about yourself – or that you are a failure or have let yourself or your family down
G. Trouble concentrating on things, such as reading the newspaper or watching television
H. Moving or speaking so slowly that other people could have noticed. Or the opposite – being so fidgety or restless that you have been moving around a lot more than usual
I. Thoughts that you would be better off dead, or of hurting yourself in some way

D0300. Total Severity Score

The sum of the scores for all frequency responses in Column 2, Symptom Frequency. The sum should be a number (00-27).
A score of 99 indicates that the individual was unable to complete interview (i.e., Symptom Frequency is blank for 3 or more items).

D0350. Safety Notification – Complete only if D0200I1 = 1 indicating possibility of individual self harm

<table>
<thead>
<tr>
<th>Enter Code</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>0.</td>
<td>No</td>
</tr>
<tr>
<td>1.</td>
<td>Yes</td>
</tr>
</tbody>
</table>
## Section D  Mood

### D0500. Caregiver Assessment of Individual Mood (PHQ-9-OV*)

**Do not conduct if Individual Mood Interview (D0200-D0300) was completed**

**Over the last 2 weeks, did the individual have any of the following problems or behaviors?**

If symptom is present, enter 1 (yes) in column 1, Symptom Presence. Then move to column 2, Symptom Frequency, and indicate symptom frequency.

<table>
<thead>
<tr>
<th>1. Symptom Presence</th>
<th>2. Symptom Frequency</th>
</tr>
</thead>
<tbody>
<tr>
<td>0. No (enter 0 in column 2)</td>
<td>0. Never or 1 day</td>
</tr>
<tr>
<td>1. Yes (enter 0-3 in column 2)</td>
<td>1. 2–6 days (several days)</td>
</tr>
<tr>
<td></td>
<td>2. 7–11 days (half or more of the days)</td>
</tr>
<tr>
<td></td>
<td>3. 12–14 days (nearly every day)</td>
</tr>
</tbody>
</table>

↓ Enter Scores in Boxes ↓

A. **Little interest or pleasure in doing things**

B. **Feeling or appearing down, depressed, or hopeless**

C. **Trouble falling or staying asleep, or sleeping too much**

D. **Feeling tired or having little energy**

E. **Poor appetite or overeating**

F. **Indicating that s/he feels bad about self, is a failure, or has let self or family down**

G. **Trouble concentrating on things, such as reading the newspaper or watching television**

H. **Moving or speaking so slowly that other people have noticed. Or the opposite – being so fidgety or restless that s/he has been moving around a lot more than usual**

I. **States that life isn’t worth living, wishes for death, or attempts to harm self**

J. **Being short-tempered, easily annoyed**

### D0600. Total Severity Score

The sum of the scores for all frequency responses in Column 2, Symptom Frequency. The sum should be a number (00-30).

### D0650. Safety Notification – Complete only if D0500I1 = 1 indicating possibility of individual self harm

Enter Score

Was responsible caregiver, provider or appropriate entity informed that there is a potential for individual self harm?

0. No

1. Yes

</tbody>
</table>
## Section G  Functional Status

### G0110. Activities of Daily Living (ADL) Assistance

#### Instructions for Rule of 3
- When an activity occurs three times at any one given level, code that level.
- When an activity occurs three times at multiple levels, code the most dependent, exceptions are total dependence (4), activity must require full assist every time, and activity did not occur (8), activity must not have occurred at all. Example, three times extensive assistance (3) and three times limited assistance (2), code extensive assistance (3).
- When an activity occurs at various levels, but not three times at any given level, apply the following:
  - When there is a combination of full caregiver performance, and extensive assistance, code extensive assistance.
  - When there is a combination of full caregiver performance, weight bearing assistance and/or non-weight bearing assistance code limited assistance (2).

If none of the above are met, code supervision.

#### 1. ADL Self-Performance
   Code for individual’s performance - not including setup. If the ADL activity occurred 3 or more times at various levels of assistance, code the most dependent - except for total dependence, which requires full caregiver performance every time

<table>
<thead>
<tr>
<th>Activity Occurred 3 or More Times</th>
</tr>
</thead>
<tbody>
<tr>
<td>0. <strong>Independent</strong> - no help or caregiver oversight at any time</td>
</tr>
<tr>
<td>1. <strong>Supervision</strong> - oversight, encouragement or cueing</td>
</tr>
<tr>
<td>2. <strong>Limited assistance</strong> - individual highly involved in activity; caregiver provide guided maneuvering of limbs or other non-weight-bearing assistance</td>
</tr>
<tr>
<td>3. <strong>Extensive assistance</strong> - individual involved in activity, caregiver provide weight-bearing support</td>
</tr>
<tr>
<td>4. <strong>Total dependence</strong> - full caregiver performance every time during entire 7-day period</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Activity Occurred 2 or Fewer Times</th>
</tr>
</thead>
<tbody>
<tr>
<td>7. Activity occurred only once or twice - activity did occur but only once or twice</td>
</tr>
<tr>
<td>8. Activity did not occur - activity (or any part of the ADL) was not performed by individual or caregiver at all over the entire 7-day period</td>
</tr>
</tbody>
</table>

#### 2. ADL Support Provided
   Code for most support provided; code regardless of individual’s self-performance classification

<table>
<thead>
<tr>
<th>Coding:</th>
</tr>
</thead>
<tbody>
<tr>
<td>0. <strong>No</strong> setup or physical help from caregiver</td>
</tr>
<tr>
<td>1. <strong>Setup</strong> help only</td>
</tr>
<tr>
<td>2. <strong>One</strong> person physical assist</td>
</tr>
<tr>
<td>3. <strong>Two+</strong> persons physical assist</td>
</tr>
<tr>
<td>8. ADL activity itself did not occur during entire period</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Self-Performance</th>
<th>Support</th>
</tr>

</tbody>
</table>

- **A. Bed mobility** - how individual moves to and from lying position, turns side to side, and positions body while in bed or alternate sleep furniture
- **B. Transfer** - how individual moves between surfaces including to or from: bed, chair, wheelchair, standing position (excludes to/from bath/toilet)
- **C. Walk in room** - how individual walks between locations in room
- **D. Walk in home** - how individual walks in home or community setting
- **E. Locomotion in room** - how individual moves between locations in his/her room and adjacent hallway on same floor. If in wheelchair, self-sufficiency once in chair
- **F. Locomotion in home** - how individual moves to and returns from distant areas in his/her home or community setting. If in wheelchair, self-sufficiency once in chair
- **G. Dressing** - how individual puts on, fastens and takes off all items of clothing, including donning/removing a prosthesis or TED hose. Dressing includes putting on and changing pajamas and housedresses
- **H. Eating** - how individual eats and drinks, regardless of skill. Do not include eating/drinking during medication pass. Includes intake of nourishment by other means (e.g., tube feeding, total parenteral nutrition, IV fluids administered for nutrition or hydration)
- **I. Toilet use** - how individual uses the toilet room, commode, bedpan, or urinal; transfers on/off toilet; cleanses self after elimination; changes pad; manages ostomy or catheter; and adjusts clothes. Do not include emptying of bedpan, urinal, bedside commode, catheter bag or ostomy bag
- **J. Personal hygiene** - how individual maintains personal hygiene, including combing hair, brushing teeth, shaving, applying makeup, washing/drying face and hands (excludes baths and showers)
**Section G  Functional Status**

### G0120. Bathing

How individual takes full-body bath/shower, sponge bath, and transfers in/out of tub/shower (excludes washing of back and hair). Code for most dependent in self-performance and support

<table>
<thead>
<tr>
<th>Enter Code</th>
<th>A. Self-performance</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>0. Independent – no help provided</td>
</tr>
<tr>
<td></td>
<td>1. Supervision – oversight help only</td>
</tr>
<tr>
<td></td>
<td>2. Physical help limited to transfer only</td>
</tr>
<tr>
<td></td>
<td>3. Physical help in part of bathing activity</td>
</tr>
<tr>

## Section H  Bladder and Bowel

### H0100. Appliances

Check all that apply

- A. **Indwelling catheter** (including suprapubic catheter and nephrostomy tube)
- B. **External catheter**
- C. **Ostomy** (including urostomy, ileostomy, and colostomy)
- D. **Intermittent catheterization**
- Z. **None of the above**

### H0200. Urinary Toileting Program

Enter Code

- C. **Current continence promotion program or trial** – Is an individualized continence promotion program (e.g., scheduled toileting, prompted voiding, or bladder training) currently being used to manage the individual’s urinary continence?
  - 0. No
  - 1. Yes

### H0300. Urinary Continence

Enter Code

- **Urinary continence** – Select the one category that best describes the individual
  - 0. **Always continent**
  - 1. **Occasionally incontinent** (less than 7 episodes of incontinence)
  - 2. **Frequently incontinent** (7 or more episodes of urinary incontinence, but at least one episode of continent voiding)
  - 3. **Always incontinent** (no episodes of continent voiding)
  - 9. **Not rated**, individual had a catheter (indwelling, condom), urinary ostomy, or no urine output for entire 7 days

### H0400. Bowel Continence

Enter Code

- **Bowel continence** – Select the one category that best describes the individual
  - 0. **Always continent**
  - 1. **Occasionally incontinent** (one episode of bowel incontinence)
  - 2. **Frequently incontinent** (2 or more episodes of bowel incontinence, but at least one continent bowel movement)
  - 3. **Always incontinent** (no episodes of continent bowel movements)
  - 9. **Not rated**, individual had an ostomy or did not have a bowel movement for the entire 7 days

### H0500. Bowel Continence Program

Enter Code

- Is an individualized continence promotion program currently being used to manage the individual’s bowel continence?
  - 0. No
  - 1. Yes

### H0600. Bowel Patterns

Enter Code

- **Constipation present?**
  - 0. No

### J0100. Pain Management – Complete for the individual, regardless of current pain level

At any time in the last 5 days, has the individual:

<p>| | |</p>
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>A.</strong> Received scheduled pain medication regimen?</td>
<td></td>
</tr>
<tr>
<td>0. No</td>
<td></td>
</tr>
<tr>
<td>1. Yes</td>
<td></td>
</tr>
<tr>
<td><strong>B.</strong> Received PRN pain medications OR was offered and declined?</td>
<td></td>
</tr>
<tr>
<td>0. No</td>
<td></td>
</tr>
<tr>
<td>1. Yes</td>
<td></td>
</tr>
<tr>
<td><strong>C.</strong> Received non-medication intervention for pain?</td>
<td></td>
</tr>
<tr>
<td>0. No</td>
<td></td>
</tr>
<tr>
<td>1. Yes</td>
<td></td>
</tr>
</tbody>
</table>

### J0200. Should Pain Assessment Interview be Conducted? – Attempt to conduct interview with the individual.

If individual is comatose, skip to J1100, Shortness of Breath (dyspnea)

<p>| | |</p>
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>0. No (individual is rarely/never understood OR individual is less than 3 years of age) → Skip to J0800, Indicators of Pain or Possible Pain</td>
<td></td>
</tr>
<tr>
<td>1. Yes → Continue to J0300, Pain Presence</td>
<td></td>
</tr>
</tbody>
</table>

#### Pain Assessment Interview

### J0300. Pain Presence

Ask individual: “**Have you had pain or hurting at any time in the last 5 days?**”

<p>| | |</p>
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>0. No → Skip to J1100, Shortness of Breath</td>
<td></td>

</tbody>
</table>
Section J

Health Conditions

J0700. Should the Caregiver Assessment for Pain be Conducted?
Enter Code
0. No (J0400=1 thru 4) → Skip to J1100, Shortness of Breath (dyspnea)
1. Yes (J0400=9) → Continue to J0800, Indicators of Pain or Possible Pain

Caregiver Assessment for Pain

J0800. Indicators of Pain or Possible Pain in the last 5 days

Check all that apply
A. Non-verbal sounds (e.g., crying, whining, gasping, moaning, or groaning)
B. Vocal complaints of pain (e.g., that hurts, ouch, stop)
C. Facial expressions (e.g., grimaces, winces, wrinkled forehead, furrowed brow, clenched teeth or jaw)
D. Protective body movements or postures (e.g., bracing, guarding, rubbing or massaging a body part/area, clutching or holding a body part during movement)
Z. None of these signs observed or documented → If checked, skip to J1100, Shortness of Breath (dyspnea)

J0850. Frequency of Indicator of Pain or Possible Pain in the last 5 days

Enter Code
1. Indicators of pain or possible pain observed 1 to 2 days
2. Indicators of pain or possible pain observed 3 to 4 days
3. Indicators of pain or possible pain observed daily

Other Health Conditions

J1100. Shortness of Breath (dyspnea)

Check all that apply
A. Shortness of breath or trouble breathing with exertion (e.g. walking, bathing, transferring)
B. Shortness of breath or trouble breathing when sitting at rest
C. Shortness of breath or trouble breathing when lying flat
Z. None of the above

J1400. Prognosis

Enter Code
0. No
1. Yes

J1550. Problem Conditions

Check all that apply
A. Fever
B. Vomiting
C. Dehydrated
D. Internal bleeding
E99. Syncope
Z. None of the above
Section J  Health Conditions

J1700. Fall History

Enter Code

A. Did the individual have a fall any time in the last month?
   0. No
   1. Yes
   9. Unable to determine

Enter Code

B. Did the individual have a fall any time in the last 2–6 months?
   0. No
   1. Yes
   9. Unable to determine

Enter Code

C. Did the individual have any fracture related to a fall in the last 6 months?
   0. No
   1. Yes
   9. Unable to determine

J1900. Number of Falls in the last 6 months with or without injury
Complete only if J1700A or J1700B = 1

Enter Codes in Boxes

Coding: 0. None 1. One 2. Two or more

A. No injury – no evidence of any pain, injury or change in the individual's behavior after the fall as reported by the individual/caregiver.

B. Injury (except major) – skin tears, abrasions, lacerations, superficial bruises, hematomas and sprains; or any fall-related injury that causes the individual to complain of pain.

C. Major injury – bone fractures, joint dislocations, closed head injuries with altered consciousness, subdural hematoma.

Section K  Swallowing/Nutritional Status

K0100. Swallowing Disorder
Signs and symptoms of possible swallowing disorder

Check all that apply

A. Loss of liquids/solids from mouth when eating or drinking
B. Holding food in mouth/cheeks or residual food in mouth after meals
C. Coughing or choking during meals or when swallowing medications
D. Complaints of difficulty or pain with swallowing
Z. None of the above

K0200. Height and Weight
– While measuring, if the number is X.1 – X.4, round down; X.5 or greater round up

A. Height (in inches). Record most recent height measure.
B. Weight (in pounds). Base weight on most recent measure in last 30 days; measure weight consistently, according to standard facility practice (e.g., in a.m. after voiding, before meal, with shoes off, etc.). Enter ‘–’ Dash if unable to assess.

K0300. Weight Loss

Loss of 5% or more in the last month or loss of 10% or more in last 6 months

0. No or unknown
1. Yes, on physician-prescribed weight-loss regimen
2. Yes, not on physician-prescribed weight-loss regimen
**Section K  Swallowing/Nutritional Status**

**K0310. Weight Gain**
- Gain of 5% or more in the last month or gain of 10% or more in last 6 months
  - 0. No or unknown
  - 1. Yes, on physician-prescribed weight-gain regimen
  - 2. Yes, not on physician-prescribed weight-gain regimen

**K0510. Nutritional Approaches**
- Check all of the following nutritional approaches that were performed during the last 7 days
  - A. Parenteral/IV feeding
  - B. Feeding-tube – nasogastric or abdominal (PEG)
  - C. Mechanically altered diet – require change in texture of food or liquids (e.g., pureed food, thickened liquids)
  - D. Therapeutic diet (e.g., low salt, diabetic, low cholesterol)
  - Z. None of the above

**K0710. Percent Intake by Artificial Route**
- Complete K0710 only if K0510A or K0510B is checked
  - A. Proportion of total calories the individual received through parenteral or tube feeding during entire 7 days
    - 1. 25% or less
    - 2. 26–50%
    - 3. 51% or more
  - B. Average fluid intake per day by IV or tube feeding during entire 7 days
    - 1. 500 cc/day or less
    - 2. 501 cc/day or more

**Section L  Oral/Dental Status**

**L0200. Dental**
- Check all that apply
  - A. Broken or loosely fitting full or partial denture (chipped, cracked, uncleanable, or loose)
  - B. No natural teeth or tooth fragment(s) (edentulous)
  - C. Abnormal mouth tissue (ulcers, masses, oral lesions, including under denture or partial if one is worn)
  - D. Obvious or likely cavity or broken natural teeth
  - E. Inflamed or bleeding gums or loose natural teeth
  - F. Mouth or facial pain, discomfort or difficulty with chewing
  - G. Unable to examine
  - Z. None of the above were present
### Section M  Skin Conditions

Report based on highest stage of existing ulcer(s) at its worst; do not “reverse” stage

#### M0100. Determination of Pressure Ulcer Risk

Check all that apply

- A. Individual has a stage 1 or greater, a scar over bony prominence, or a non-removable dressing/device
- B. Formal assessment instrument/tool (e.g., Braden, Norton, or other)
- C. Clinical assessment
- Z. None of the above

#### M0150. Risk of Pressure Ulcers

Is this individual at risk of developing pressure ulcers?

- 0. No
- 1. Yes

#### M0210. Unhealed Pressure Ulcer(s)

Does this individual have one or more unhealed pressure ulcer(s) at Stage 1 or higher?

- 0. No → skip to M1030, Number of Venous and Arterial Ulcers
- 1. Yes → Continue to M0300, Current Number of Unhealed Pressure Ulcers at Each Stage

#### M0300. Current Number of Unhealed Pressure Ulcers at Each Stage

A. Number of Stage 1 pressure ulcers

1. **Stage 1**: Intact skin with non-blanchable redness of a localized area usually over a bony prominence. Darkly pigmented skin may not have a visible blanching; in dark skin tones only it may appear with persistent blue or purple hues

B. **Stage 2**: Partial thickness loss of dermis presenting as a shallow open ulcer with a red or pink wound bed, without slough. May also present as an intact or open/ruptured blister

   1. **Number of Stage 2 pressure ulcers** - If 0 → Skip to M0300C, Stage 3

   3. **Date of oldest Stage 2 pressure ulcer** - Enter dashes if date is unknown

   ![Date Field](Month_Day_Year)

C. **Stage 3**: Full thickness tissue loss. Subcutaneous fat may be visible but bone, tendon or muscle is not exposed. Slough may be present but does not obscure the depth of tissue loss. May include undermining and tunneling

   1. **Number of Stage 3 pressure ulcers**

D. **Stage 4**: Full thickness tissue loss with exposed bone, tendon or muscle. Slough or eschar may be present on some parts of the wound bed. Often includes undermining and tunneling

   1. **Number of Stage 4 pressure ulcers**

E. **Unstageable – Non-removable dressing**: Known but not stageable due to non-removable dressing/device

   1. **Number of unstageable pressure ulcers due to non-removable dressing/device**

F. **Unstageable – Slough and/or eschar**: Known but not stageable due to coverage of wound bed by slough and/or eschar

   1. **Number of unstageable pressure ulcers due to coverage of wound bed by slough and/or eschar**

G. **Unstageable – Deep tissue**: Suspected deep tissue injury in evolution

   1. **Number of unstageable pressure ulcers with suspected deep tissue injury in evolution**
### Section M  
**Skin Conditions**

#### M0610. Dimensions of Unhealed Stage 3 or 4 Pressure Ulcers or Eschar

Complete only if M0300C1, M0300D1 or M0300F1 is greater than 0

If the individual has one or more unhealed Stage 3 or 4 pressure ulcers or an unstageable pressure ulcer due to slough or eschar, identify the pressure ulcer with the largest surface area (length x width) and record in centimeters:

<table>
<thead>
<tr>
<th>Measurement</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>A.</td>
<td>Pressure ulcer length: Longest length from head to toe</td>
</tr>
<tr>
<td>B.</td>
<td>Pressure ulcer width: Widest width of the same pressure ulcer, side-to-side perpendicular (90-degree angle) to length</td>
</tr>
<tr>
<td>C.</td>
<td>Pressure ulcer depth: Depth of the same pressure ulcer from the visible surface to the deepest area (if depth is unknown, enter a dash)</td>
</tr>
</tbody>
</table>

#### M0700. Most Severe Tissue Type for Any Pressure Ulcer

Select the best description of the most severe type of tissue present in any pressure ulcer bed

1. **Epithelial tissue** – new skin growing in superficial ulcer. It can be light pink and shiny, even in persons with darkly pigmented skin
2. **Granulation tissue** – pink or red tissue with shiny, moist, granular appearance
3. **Slough** – yellow or white tissue that adheres to the ulcer bed in strings or thick clumps, or is mucinous
4. **Eschar** – black, brown, or tan tissue that adheres firmly to the wound bed or ulcer edges, may be softer or harder than surrounding skin
5. **None of the Above**

#### M1030. Number of Venous and Arterial Ulcers

Enter the total number of venous and arterial ulcers present

#### M1040. Other Ulcers, Wounds and Skin Problems

Check all that apply

<table>

**Check all that apply**

- A. Pressure reducing device for chair
- B. Pressure reducing device for bed
- C. Turning/repositioning program
- D. Nutrition or hydration intervention to manage skin problems
- E. Pressure ulcer care
- F. Surgical wound care
- G. Application of nonsurgical dressings (with or without topical medications) other than to feet
- H. Applications of ointments/medications other than to feet
- I. Application of dressings to feet (with or without topical medications)
- Z. None of the above were provided

### Section N  Medications

#### N0300. Injections

**Enter Days**

Record the **number of days that injections of any type were received** during the last 7 days

If 0 → Skip to N0410, Medications Received

#### N0350. Insulin

**Enter Days**

- A. Insulin injections – Record the number of days that insulin injections were received during the last 7 days
- B. Orders for insulin – Record the number of days the physician (or authorized assistant or practitioner) changed the individual's insulin orders during the last 7 days

#### N0410. Medications Received

**Indicate the number of DAYS the individual received the following medications during the last 7 days.**

Enter "0" if medication was not received by the individual during the last 7 days.

- A. Antipsychotic
- B. Antianxiety
- C. Antidepressant
- D. Hypnotic
- E. Anticoagulant (warfarin, heparin, or low-molecular weight heparin)
- F. Antibiotic
- G. Diuretic
### Section O  Special Treatments, Procedures, and Programs

#### O0100. Special Treatments, Procedures, and Programs

Check all of the following treatments, procedures, and programs that were performed during the last 14 days.

**Check all that apply**

**Cancer Treatments**

- **A. Chemotherapy**
- **B. Radiation**

**Respiratory Treatments**

- **C. Oxygen therapy**
- **D. Suctioning**
- **E. Tracheostomy care**
- **F. Ventilator or respirator**
- **G. BiPAP/CPAP**

**Other**

- **H. IV medications**
- **I. Transfusions**
- **J. Dialysis**
- **K. Hospice care**
- **L. Respite care**
- **M. Isolation or quarantine for active infectious disease** (does not include standard body/fluid precautions)

**N99. Psychiatric care**

**None of the Above**

- **Z. None of the above**
**Section O  Special Treatments, Procedures, and Programs**

**O0400. Therapies**

### A. Speech-Language Pathology and Audiology Services

1. **Individual minutes** - record the total number of minutes this therapy was administered to the individual **individually** in the last 7 days

2. **Concurrent minutes** - record the total number of minutes this therapy was administered to the individual **concurrently with one other individual** in the last 7 days

3. **Group minutes** - record the total number of minutes this therapy was administered to the individual as **part of a group of individuals** in the last 7 days

If the sum of individual, concurrent, and group minutes is zero, → skip to O0400B, Occupational Therapy

3A. **Co-treatment minutes** - record the total number of minutes this therapy was administered to the individual in co-treatment sessions in the last 7 days

4. **Days** - record the **number of days** this therapy was administered for **at least 15 minutes** a day in the last 7 days

5. **Therapy start date** - record the date the most recent therapy regimen (since the last assessment) started

   
   Month   Day   Year

6. **Therapy end date** - record the date the most recent therapy regimen (since the last assessment) ended - enter dashes if therapy is ongoing

   
   Month   Day   Year

### B. Occupational Therapy

1. **Individual minutes** - record the total number of minutes this therapy was administered to the individual **individually** in the last 7 days

2. **Concurrent minutes** - record the total number of minutes this therapy was administered to the individual **concurrently with one other individual** in the last 7 days

3. **Group minutes** - record the total number of minutes this therapy was administered to the individual as **part of a group of individuals** in the last 7 days

If the sum of individual, concurrent, and group minutes is zero, → skip to O0400C, Physical Therapy

3A. **Co-treatment minutes** - record the total number of minutes this therapy was administered to the individual in co-treatment sessions in the last 7 days

4. **Days** - record the **number of days** this therapy was administered for **at least 15 minutes** a day in the last 7 days

5. **Therapy start date** - record the date the most recent therapy regimen (since the last assessment) started

   
   Month   Day   Year

6. **Therapy end date** - record the date the most recent therapy regimen (since the last assessment) ended - enter dashes if therapy is ongoing

   
   Month   Day   Year

**O0400 continued on next page**

Updates to Account Activation for the TMHP Online Provider Portal Addendum

The following modifications to the User Guide (UG) have been made to the wording and screenshots on Pages 6-10:

6. From here you have a few options:

a. If you are not currently a Texas Medicaid provider, you will be prompted to enroll in Texas Medicaid. To enroll as a Texas Medicaid Provider, visit the Doing Business with HHS section of the HHS.texas.gov website for more information.

b. To create a new TMHP User Account with an existing provider/vendor account, click the Create Account and link to a Nursing Facility/Waiver Program provider link. This option will allow you to submit 3618s, 3619s, MDS, MDS Quarterly, MN/LOC, 8578s, Individual Movements, PASRR Level 1 Screenings, or PASRR Evaluations.

c. To create a new TMHP User Account with an existing provider/vendor account, click the Create Account and link to a Long Term Care provider link. This option will allow you to view R&S Reports or Submit 3071’s and 3074’s on behalf of the Long Term Care provider.

If selected, go to step 13 on page 4 of this addendum.
7. Enter your Provider Number, Vendor Number, and Vendor Password.

8. Click the “Next” button.
9. To create a New Account, you will fill in all the required fields as indicated by the red dots.

10. Check the “I agree to these terms” box at the bottom of the screen under the General Terms and Conditions section, to indicate agreement. You won’t be able to agree to these terms until you have scrolled through all of the “General Terms and Conditions.”

11. In the “I’m not a robot” box, click the white check box on the left side of the screen. You will be required to authenticate your status before moving forward in the process.

12. Click the “Submit” button to create your account and link it to a Nursing Facility/Waiver provider. Click the “My Account” button to be directed to your account.
13. To create a new TMHP User Account with an existing provider/vendor account, click the **Create Account and link to a Long Term Care provider** link. This option will allow you to view R&S Reports or Submit 3071’s and 3074’s on behalf of the Long Term Care provider.
14. Enter your Provider Number, then click the “Look-up” button.

15. There are two options available.

a. If you are able to enter Provider Information which matches data found associated to the provider in the TMHP Provider Management database, click the “Security Questions” button. If selected, go to step 16.

b. If you have requested and received a portal security PIN from TMHP, select the “Enter PIN” button. If selected, go to step 21 on page 8 of this addendum.
16. To find your previously enrolled provider using the “Security Questions” option, you will be required to provide a valid Texas Identification Number and submit an Internal Control Number (ICN).

17. To create a New Account, you will fill in all the required fields as indicated by the red dots.

18. Check the “I agree to these terms” box at the bottom of the screen under the General Terms and Conditions section, to indicate agreement. You won’t be able to agree to these terms until you have scrolled through all of the “General Terms and Conditions.”

19. In the “I’m not a robot” box, click the white check box on the left side of the screen. You will be required to authenticate your status before moving forward in the process.
20. Click the “Submit” button to create your account and link it to a Nursing Facility/Waiver provider. Click the “My Account” button to be directed to your account.
21. To find your previously enrolled provider using the “Enter PIN” option, you will be required to request and then receive a portal security PIN from TMHP in the required field.

To request a PIN, select the **Do you need to request a PIN** link. You will then verify the address on file and a PIN will be mailed to you.

22. To create a New Account, you will fill in all the required fields as indicated by the red dots.

23. Check the “I agree to these terms” box at the bottom of the screen under the General Terms and Conditions section, to indicate agreement. You won’t be able to agree to these terms until you have scrolled through all of the “General Terms and Conditions.”

24. In the “I’m not a robot” box, click the white check box on the left side of the screen. You will be required to authenticate your status before moving forward in the process.
25. Click the “Submit” button to create your account and link it to a Nursing Facility/Waiver provider. Click the “My Account” button to be directed to your account.
