

Correction to the January 2009 *Inpatient and Outpatient Behavioral Health Services Special Bulletin*

This is a correction to the January 2009 *Inpatient and Outpatient Behavioral Health Services Special Bulletin*, No. 1. The diagnosis code tables on pages 26 through 30 in the bulletin have been revised to include all of the appropriate codes. In addition, the procedure code table on page 30 of the bulletin has been revised to include all of the appropriate codes.

Claims that were submitted with the diagnosis codes listed in the diagnosis code tables may have been denied incorrectly. Affected claims will be reprocessed, and payments will be adjusted accordingly. No further action on the part of the provider is necessary.

The following diagnosis code table, which appears on page 26 of the special bulletin, has been revised as follows:

- Diagnosis codes 30740, 30741, 30743, 30748, 30749, 30754, and 30781 were removed.

The psychiatric diagnostic interview and psychotherapy/counseling service procedure codes that appear in the following table are no longer payable when billed with the diagnosis codes in the table that follows:
