On July 11, 2022, the Texas Health and Human Services Commission (HHSC) released an Opportunity to Participate in the Comprehensive Health Homes for Integrated Care (CHIC) Kids Pilot. The opportunity is for STAR Kids managed care organizations (MCOs) and health home providers to partner in creating or improving a health home model that provides enhanced care coordination to children with medically complex conditions.

Since the Opportunity to Participate was established, HHSC updated the pilot definition for a “child with medically complex conditions” by removing the language stating that the child is enrolled in the STAR Kids program.
