E1400. Activities of Daily Living (ADL)**Instructions for Rule of 3**

- * When an activity occurs three times at any one given level, code that level.
- * When an activity occurs three times at multiple levels, code the most dependent, exceptions are total dependence (4), activity must require full assist every time, and activity did not occur (8), activity must not have occurred at all. Example, three times extensive assistance (3) and three times limited assistance (2), code extensive assistance (3).
- * When an activity occurs at various levels, but not three times at any given level, apply the following:
 - When there is a combination of full caregiver performance, and extensive assistance, code extensive assistance.
 - When there is a combination of full caregiver performance, weight bearing assistance and/or non-weight bearing assistance code limited assistance (2).

If none of the above are met, code supervision.

1. ADL Self-Performance

Code for individual's performance of ADL's - not including setup. If the ADL activity occurred 3 or more times at various levels of assistance, code the most dependent - except for total dependence, which requires full staff performance every time

0. Independent - no help or staff oversight at any time

1. Supervision - oversight, encouragement or cueing

2. Limited assistance - resident highly involved in activity; staff provide guided maneuvering of limbs or other non-weight-bearing assistance

3. Extensive assistance - resident involved in activity, staff provide weight-bearing support

4. Total dependence - full staff performance every time during entire 7-day period

7. Activity occurred only once or twice - activity did occur but only once or twice

8. Activity did not occur - activity did not occur or family and/or non-facility staff provided care 100% of the time for that activity over the entire 7-day period

2. ADL Support Provided

Code for most support provided; code regardless of individual's self performance classification

0. No setup or physical help from staff

1. Setup help only

2. One person physical assist

3. Two+ persons physical assist

8. ADL activity itself did not occur or family and/or non-facility staff provided care 100% of the time for that activity over the entire 7-day period
