CCP Prior Authorization Request Form

Submit your prior authorization using TMHP's PA on the Portal and receive request decisions more quickly than faxed requests. With PA on the Portal, documents will be immediately received by the PA Department, resulting in a quicker decision. Fax requests have to be scanned and data entered before the PA Department receives them, which takes up to 24 hours. To access PA on the Portal, go to www.tmhp.com, click on "Providers," then "Prior Authorization" from the left hand menu. Then click "PA on the Portal" from the left hand menu and enter your TMHP Portal account user name and password. To submit by fax, send to 1-512-514-4212.

Note: *If any portion of this form is incomplete, it may result in your prior authorization request being pended for additional information.*
