Medicare Enrollment Information

REQUIRED: Medicare enrollment is a prerequisite for Medicaid enrollment if you render services for clients who are eligible for Medicare.

Are you using a Medicare certification number for this enrollment? Yes No

Important: Do not continue with this application if your Medicare certification is pending. Once you have received a Medicare certification number, you may submit an application (an online application is recommended) for enrollment into Texas State Health-Care Programs. Your enrollment effective date will be retroactive to your Medicare certification date. Claims submitted by newly-enrolled providers must be received within 95 days of the date the new provider identifier is issued, and within 365 days of the date of service.

Medicare Waiver Request

If you are eligible to request a Medicare waiver, choose one of the following and continue with this application.

Note: A signed explanation / justification letter on company letterhead must be submitted to TMHP with submission of this application's signature page for consideration of the Medicare Waiver Request.

- I certify my practice is limited to individuals birth through 20 years of age. I understand if Medicare certification is obtained during or after the completion of the Texas State Health-Care Programs enrollment application, I will be required to submit a new enrollment application listing this Medicare certification information. Performing providers cannot request a Medicare Waiver when joining a group that is Medicare enrolled.
- I certify that the service(s) I render is / are not recognized by Medicare for reimbursement. I further certify the claims for these services will not be billed to Medicare (this includes Medicare crossover claims). I understand if Medicare certification is obtained during or after the completion of the Texas State Health-Care Programs enrollment application, I will be required to submit a new enrollment application listing this Medicare certification information. Performing providers cannot request a Medicare Waiver when joining a group that is Medicare enrolled.

Medicare Billing Acknowledgement Statement

You *must* check the box below if you are a provider who is not using a Medicare certification number for this enrollment.

- I understand that the services that are provided to Medicare-eligible clients cannot be billed to Medicaid unless Medicare is billed first. If the services are not billed to Medicare first, Medicaid may recoup payments for the services. I also understand that I cannot bill the client for these services.

Application Payment Form

In accordance with ACA and 42 CFR 455.460, certain providers are subject to an application fee for all applications, including, but not limited to:

- Initial applications for new enrollment
- Applications for a new practice location
- Applications received in response to re-enrollment

An application fee is not required and will not be accepted if the provider is enrolled in Medicare, another State's Medicaid program, or another Texas State agency. Providers will be required to submit details and/or payment of other programs or agencies to TMHP with submission of this application.

I am Not Using a Medicare Number for This Enrollment

Instructions: *If you are not using a Medicare certification number for this enrollment, select ONE of the following:*

- I am submitting the application fee to Texas Medicaid by paper check, money order, or cashier's check with this application.

Note: *Providers must include a check, money order, or cashier's check with their Texas Medicaid provider enrollment packet submission for the application fee. Cash cannot be accepted. Make the check payable in the amount of \$599.00 to Texas Medicaid & Healthcare Partnership (TMHP). Include the Portal Ticket Number on the check and print the PEP Cover letter. Mail the printed PEP Cover letter with the check.*

- I attest that I have already paid the application fee to another state's Medicaid program or CHIP program and have been approved for enrollment in another state's Medicaid program or CHIP program. My proof of payment and enrollment is attached to this application. I understand that if my proof of payment to another state's Medicaid program or CHIP program is found to be unacceptable for any reason, I may be required to pay an application fee towards my Texas Medicaid enrollment application.

- I am requesting an application fee waiver due to financial hardship. My documentation that supports my request is attached to this application. I understand that I must submit a letter (and supporting documentation) with my enrollment application that details the reason(s) I am unable to pay an application fee. I understand that if the waiver request is denied, I will be required to submit an application fee if I wish to proceed with the Texas Medicaid enrollment process.

Note: *If hardship waiver was issued by another state, you must also request a waiver from Texas Medicaid.*

- The application fee is not applicable for my provider type.

Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding?* on page 2.

By signing the filled-out form, you:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
- Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account, list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note. ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C Corporation, or S Corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

Limited Liability Company (LLC). If the name on line 1 is an LLC treated as a partnership for U.S. federal tax purposes, check the "Limited Liability Company" box and enter "P" in the space provided. If the LLC has filed Form 8832 or 2553 to be taxed as a corporation, check the "Limited Liability Company" box and in the space provided enter "C" for C corporation or "S" for S corporation. If it is a single-member LLC that is a disregarded entity, do not check the "Limited Liability Company" box; instead check the first box in line 3 "Individual/sole proprietor or single-member LLC."

Line 4, Exemptions

If you are exempt from backup withholding and/or FATCA reporting, enter in the appropriate space in line 4 any code(s) that may apply to you.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

- A—An organization exempt from tax under section 501(a) or any individual retirement plan as defined in section 7701(a)(37)

- C—A state, the District of Columbia, a U.S. commonwealth or possession, or any of their political subdivisions or instrumentalities
- D—A corporation the stock of which is regularly traded on one or more established securities markets, as described in Regulations section 1.1472-1(c)(1)(i)

- M—A tax exempt trust under a section 403(b) plan or section 457(g) plan

Note. You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on this page), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code* earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.ftc.gov/idtheft or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

Each Provider must complete this Provider Information Form before enrollment. A provider is any person or legal entity that meets the definition below.

Each Provider must also complete a Principal Information Form (PIF-2), for each person who is a Principal of the Provider (see the PIF-2 form for a complete definition of every person who is considered to be a Principal of the Provider).

All questions on this form must be answered by or on behalf of the Provider, by ALL provider types (all spaces must be completed either with the correct answer or a "NA" on the questions that do not apply to the Provider).

All high-categorical risk level providers must submit fingerprints for enrollment or revalidation in Texas Medicaid.

The Provider or provider's duly authorized representative must personally review this completed form and certify to the validity and completeness of the information provided by signing the HHSC Medicaid Provider Agreement or other State Health-Care Program Agreement.

Definitions

A "Provider" is any person or legal entity, including a managed care organization and their subcontractors, furnishing Medicaid services under a State Health-Care Program provider agreement or contract in force with a State Health-Care Program, and who has a provider number issued by the Commission or their designee to:

1. provide medical assistance under contract or provider agreement with HHSC, DSHS or its designee; or
2. provide third party billing services under a contract or provider agreement with HHSC, DSHS or its designee.

A "Third-Party Biller" is a type of "Provider" under the above definition and is a person, business, or entity that submits claims on behalf of an enrolled health care provider, but is not the health care provider or an employee of the health care provider. For these purposes, an employee is a person for which the health care provider completes an IRS Form W-2 showing annual income paid to the employee.

Fingerprint Criminal Background Check (FCBC) for High-Categorical Risk Providers

I acknowledge that I am required to submit proof of fingerprinting, if it is determined I meet the requirement to be assigned a high screen risk category.

Electronic Funds Transfer (EFT) Notification (5 Pages)

Instructions

Electronic Funds Transfer (EFT) is a payment method used to deposit funds directly into a provider's bank account. These funds can be credited to either checking or savings accounts, if the provider's bank accepts Automated Clearinghouse (ACH) transactions. EFT also avoids the risks associated with mailing and handling paper checks by *ensuring funds are directly deposited into a specified account*.

The following items are specific to EFT:

- Pre-notification to your bank occurs on the weekly cycle following the completion of enrollment in EFT.
- Future deposits are received electronically after pre-notification.
- The Remittance and Status (R&S) report furnishes the details of individual credits made to the provider's account during the weekly cycle.
- Specific deposits and associated R&S reports are cross-referenced by both the provider identifiers (i.e., NPI, TPI, API) and R&S number.
- EFT funds are released by TMHP to depository financial institutions each Thursday.
- The availability of R&S reports is unaffected by EFT and they continue to arrive in the same manner and time frame as currently received.

TMHP must provide the following notification according to ACH guidelines:

Most receiving depository financial institutions receive credit entries on the day before the effective date, and these funds are routinely made available to their depositors as of the opening of business on the effective date. Contact your financial institution regarding posting time if funds are not available on the release date.

However, due to geographic factors, some receiving depository financial institutions do not receive their credit entries until the morning of the effective day and the internal records of these financial institutions will not be updated. As a result, tellers, bookkeepers, or automated teller machines (ATMs) may not be aware of the deposit and the customer's withdrawal request may be refused. When this occurs, the customer or company should discuss the situation with the ACH coordinator of their institution, who in turn should work out the best way to serve their customer's needs.

In all cases, credits received should be posted to the customer's account on the effective date and thus be made available to cover checks or debits that are presented for payment on the effective date.

Important: *Submit the completed Electronic Funds Transfer (EFT) Notification form with a copy of a voided check or signed letter from your bank. Call the **TMHP Contact Center** at 1-800-925-9126 if you need assistance.*

I. ALL PROVIDERS

1.1 Agreement and documents constituting Agreement.

The current *Texas Medicaid Provider Procedures Manual* (Provider Manual) may be accessed via the internet at www.tmhpc.com. Provider has a duty to become educated and knowledgeable with the contents and procedures contained in the Provider Manual. Provider agrees to comply with all of the requirements of the Provider Manual, as well as all state and federal laws governing or regulating Medicaid, and provider further acknowledges and agrees that the provider is responsible for ensuring that all employees and agents of the provider also comply. Provider agrees to acknowledge HHSC's provision of enrollment processes and authority to make enrollment decisions as found in Title 1, Part 15, Chapter 352 of the Texas Administrative Code. Provider is specifically responsible for ensuring that the provider and all employees and agents of the Provider comply with the requirements of Title 1, Part 15, Chapter 371 of the Texas Administrative Code, related to waste, abuse and fraud, and provider acknowledges and agrees that the provider and its principals will be held responsible for violations of this Agreement through any acts or omissions of the provider, its employees, and its agents. For purposes of this Agreement, a principal of the provider includes all owners with a direct or indirect ownership or control interest of five percent or more, all corporate officers and directors, all limited and non-limited partners, and all shareholders of a legal entity, including a professional corporation, professional association, or limited liability company. Principals of the provider further include managing employee(s) or agents who exercise operational or managerial control or who directly or indirectly manage the conduct of day-to-day operations.

1.2 State and Federal regulatory requirements.

1.2.1 By signing this Agreement, Provider certifies that the provider and its principals have not been excluded, suspended, debarred, revoked or any other synonymous action from participation in any program under Title XVIII (Medicare), Title XIX (Medicaid), or under the provisions of Executive Order 12549, relating to federal contracting. Provider further certifies that the provider and its principals have also not been excluded, suspended, debarred, revoked or any other synonymous action from participation in any other state or federal health-care program. Provider must notify the Health and Human Services Commission (HHSC) or its agent within 10 business days of the time it receives notice that any action is being taken against Provider or any person defined under the provisions of Section 1128(A) or (B) of the Social Security Act (42 USC §1320a-7), which could result in exclusion from the Medicaid program. Provider agrees to fully comply at all times with the requirements of 48 CFR, Ch. 3, relating to eligibility for federal contracts and grants.

1.2.2 Provider agrees to disclose information on ownership and control, information related to business transactions, and information on persons convicted of crimes in accordance with 42 CFR Part 455, Subpart B, and provide such information on request to the Texas Health and Human Services Commission (HHSC), Department of State Health Services (DSHS), Texas Attorney General's Medicaid Fraud Control Unit, and the United States Department of Health and Human Services. Provider agrees to keep its application for participation in the Medicaid program current at all times by informing HHSC or its agent in writing of any changes to the information contained in its application, including, but not limited to, changes in ownership or control, federal tax identification number, provider licensure, certification, or accreditation, phone number, or provider business addresses. Changes due to a change of ownership or control interest must be reported to HHSC or its designee within 30 days of the change. All other changes must be reported to HHSC or its designee within 90 days of the change.

Provider agrees to disclose all convictions of Provider or Provider's principals within ten business days of the date of conviction. For purposes of this disclosure, Provider must use the definition of "Convicted" contained in 42 CFR 1001.2, which includes all convictions, deferred adjudications, and all types of pretrial diversion programs. Send the information to the Texas Health and Human Services Commission's Office of Inspector General, P.O. Box 85211 – Mail Code 1361, Austin, Texas 78708. Fully explain the details, including the offense, the date, the state and county where the conviction occurred, and the cause number(s).

1.2.3 This Agreement is subject to all state and federal laws and regulations relating to fraud, abuse and waste in health care and the Medicaid program. As required by 42 CFR § 431.107, Provider agrees to create and maintain all records necessary to fully disclose the extent and medical necessity of services provided by the Provider to individuals in the Medicaid program and any information relating to payments claimed by the Provider for furnishing Medicaid services. On request, Provider also agrees to provide these records immediately and unconditionally to HHSC, HHSC's

agent, the Texas Attorney General's Medicaid Fraud Control Unit, the Texas Department of Family and Protective Services (DFPS), the Texas Department of State Health Services (DSHS) and the United States Department of Health and Human Services. The records must be retained in the form in which they are regularly kept by the Provider for a minimum of five years from the date of service (six years for freestanding rural health clinics and ten years for hospital based rural health clinics); or, until all investigations are resolved and closed, or audit exceptions are resolved; whichever period is longest. Provider must cooperate and assist HHSC and any state or federal agency charged with the duty of identifying, investigating, sanctioning, or prosecuting suspected fraud and abuse. Provider must also allow these agencies and their agents unconditional and unrestricted access to its records and premises as required by Title 1 TAC, §371.1667. Provider understands and agrees that payment for goods and services under this Agreement is conditioned on the existence of all records required to be maintained under the Medicaid program, including all records necessary to fully disclose the extent and medical necessity of services provided, and the correctness of the claim amount paid. If provider fails to create, maintain, or produce such records in full accordance with this Agreement, provider acknowledges, agrees, and understands that the public monies paid the provider for the services are subject to 100 percent recoupment, and that the provider is ineligible for payment for the services either under this Agreement or under any legal theory of equity.

- 1.2.4 The Texas Attorney General's Medicaid Fraud Control Unit, the Texas Health and Human Services Commission's Office of Inspector General, and internal and external auditors for the state and federal government may conduct interviews of Provider employees, agents, subcontractors, and their employees, witnesses, and clients without the Provider's representative or Provider's legal counsel present. Provider's employees, agents, subcontractors and their employees, witnesses, and clients must not be coerced by Provider or Provider's representative to accept representation from or by the Provider, and Provider agrees that no retaliation will occur to a person who denies the Provider's offer of representation. Nothing in this Agreement limits a person's right to counsel of his or her choice. Requests for interviews are to be complied with in the form and the manner requested. Provider will ensure by contract or other means that its agents, employees and subcontractors cooperate fully in any investigation conducted by the Texas Attorney General's Medicaid Fraud Control Unit or the Texas Health and Human Services Commission's Office of Inspector General or its designee. Subcontractors include those persons and entities that provide medical or dental goods or services for which the Provider bills the Medicaid program, and those who provide billing, administrative, or management services in connection with Medicaid-covered services.
- 1.2.5 Nondiscrimination. Provider must not exclude or deny aid, care, service, or other benefits available under Medicaid or in any other way discriminate against a person because of that person's race, color, national origin, gender, age, disability, political or religious affiliation or belief. Provider must provide services to Medicaid clients in the same manner, by the same methods, and at the same level and quality as provided to the general public. Provider agrees to grant Medicaid recipients all discounts and promotional offers provided to the general public. Provider agrees and understands that free services to the general public must not be billed to the Medicaid program for Medicaid recipients and discounted services to the general public must not be billed to Medicaid for a Medicaid recipient as a full price, but rather the Provider agrees to bill only the discounted amount that would be billed to the general public.
- 1.2.6 AIDS and HIV. Provider must comply with the provisions of Texas Health and Safety Code Chapter 85, and HHSC's rules relating to workplace and confidentiality guidelines regarding HIV and AIDS.
- 1.2.7 Child Support. (1) The Texas Family Code §231.006 requires HHSC to withhold contract payments from any entity or individual who is at least 30 days delinquent in court-ordered child support obligations. It is the Provider's responsibility to determine and verify that no owner, partner, or shareholder who has at least 25 percent ownership interest is delinquent in any child support obligation. (2) Under Section 231.006 of the Family Code, the vendor or applicant certifies that the individual or business entity named in the applicable contract, bid, or application is not ineligible to receive the specified grant, loan, or payment and acknowledges that this Agreement may be terminated and payment may be withheld if this certification is inaccurate. A child support obligor who is more than 30 days delinquent in paying child support or a business entity in which the obligor is a sole proprietor, partner, shareholder, or owner with an ownership interest of at least 25 percent is not eligible to receive the specified grant, loan, or payment. (3) If HHSC is informed and verifies that a child support obligor who is more than 30 days delinquent is a partner, shareholder, or owner with at least a 25 percent ownership interest, it will withhold any payments due under this Agreement until it has received satisfactory evidence that the obligation has been satisfied.
- 1.2.8 Cost Report, Audit and Inspection. Provider agrees to comply with all state and federal laws relating to the preparation and filing of cost reports, audit requirements, and inspection and monitoring of facilities, quality, utilization, and records.

1.3 Claims and encounter data.

- 1.3.1 Provider agrees to submit claims for payment in accordance with billing guidelines and procedures promulgated by HHSC, or other appropriate payer, including electronic claims. Provider certifies that information submitted regarding claims or encounter data will be true, accurate, and complete, and that the Provider's records and documents are both accessible and validate the services and the need for services billed and represented as provided. Further, Provider understands that any falsification or concealment of a material fact may be prosecuted under state and federal laws.
- 1.3.2 Provider must submit encounter data required by HHSC or any managed care organization to document services provided, even if the Provider is paid under a capitated fee arrangement by a Health Maintenance Organization or Insurance Payment Assistance.
- 1.3.3 All claims or encounters submitted by Provider must be for services actually rendered by Provider. Physician providers must submit claims for services rendered by another in accordance with HHSC rules regarding providers practicing under physician supervision. Claims must be submitted in the manner and in the form set forth in the Provider Manual, and within the time limits established by HHSC for submission of claims. Claims for payment or encounter data submitted by the provider to an HMO or IPA are governed by the Provider's contract with the HMO or IPA. Provider understands and agrees that HHSC is not liable or responsible for payment for any Medicaid-covered services provided under the HMO or IPA Provider contract, or any agreement other than this Medicaid Provider Agreement.
- 1.3.4 Federal and state law prohibits Provider from charging a client or any financially responsible relative or representative of the client for Medicaid-covered services, except where a co-payment is authorized under the Medicaid State Plan (42 CFR §447.20).

- 1.3.5 As a condition of eligibility for Medicaid benefits, a client assigns to HHSC all rights to recover from any third party or any other source of payment (42 CFR §433.145 and Human Resources Code §32.033). Except as provided by HHSC’s third-party recovery rules (*Texas Administrative Code* Title 1 Part 15 Chapter 354 Subchapter J), Provider agrees to accept the amounts paid under Medicaid as payment in full for all covered services (42 CFR §447.15).
- 1.3.6 Provider has an affirmative duty to verify that claims and encounters submitted for payment are true and correct and are received by HHSC or its agent, and to implement an effective method to track submitted claims against payments made by HHSC or its agents.
- 1.3.7 Provider has an affirmative duty to verify that payments received are for actual services rendered and medically necessary. Provider must refund any overpayments, duplicate payments and erroneous payments that are paid to Provider by Medicaid or a third party as soon as any such payment is discovered or reasonably should have been known.
- 1.3.8 TMHP EDI and Electronic Claims Submission. As a condition for participation as a provider under the Texas Medical Assistance Program (Medicaid), the Provider (Provider) agrees to comply with all terms and conditions of this Agreement.

I. ALL PROVIDERS

1.1 Agreement and documents constituting Agreement.

The current *Texas Medicaid Provider Procedures Manual* (Provider Manual) may be accessed via the internet at www.tmhp.com. Provider has a duty to become educated and knowledgeable with the contents and procedures contained in the Provider Manual. Provider agrees to comply with all of the requirements of the Provider Manual, as well as all state and federal laws governing or regulating Medicaid, and provider further acknowledges and agrees that the provider is responsible for ensuring that all employees and agents of the provider also comply. Provider agrees to acknowledge HHSC’s provision of enrollment processes and authority to make enrollment decisions as found in Title 1, Part 15, Chapter 352 of the Texas Administrative Code. Provider is specifically responsible for ensuring that the provider and all employees and agents of the Provider comply with the requirements of Title 1, Part 15, Chapter 371 of the Texas Administrative Code, related to waste, abuse and fraud, and provider acknowledges and agrees that the provider and its principals will be held responsible for violations of this Agreement through any acts or omissions of the provider, its employees, and its agents. For purposes of this Agreement, a principal of the provider includes all owners with a direct or indirect ownership or control interest of five percent or more, all corporate officers and directors, all limited and non-limited partners, and all shareholders of a legal entity, including a professional corporation, professional association, or limited liability company. Principals of the provider further include managing employee(s) or agents who exercise operational or managerial control or who directly or indirectly manage the conduct of day-to-day operations.

1.2 State and Federal regulatory requirements.

1.2.1 By signing this Agreement, Provider certifies that the provider and its principals have not been excluded, suspended, debarred, revoked or any other synonymous action from participation in any program under Title XVIII (Medicare), Title XIX (Medicaid), or under the provisions of Executive Order 12549, relating to federal contracting. Provider further certifies that the provider and its principals have also not been excluded, suspended, debarred, revoked or any other synonymous action from participation in any other state or federal health-care program. Provider must notify the Health and Human Services Commission (HHSC) or its agent within 10 business days of the time it receives notice that any action is being taken against Provider or any person defined under the provisions of Section 1128(A) or (B) of the Social Security Act (42 USC §1320a-7), which could result in exclusion from the Medicaid program. Provider agrees to fully comply at all times with the requirements of 48 CFR, Ch. 3, relating to eligibility for federal contracts and grants.

1.2.2 Provider agrees to disclose information on ownership and control, information related to business transactions, and information on persons convicted of crimes in accordance with 42 CFR Part 455, Subpart B, and provide such information on request to the Texas Health and Human Services Commission (HHSC), Department of State Health Services (DSHS), Texas Attorney General’s Medicaid Fraud Control Unit, and the United States Department of Health and Human Services. Provider agrees to keep its application for participation in the Medicaid program current at all times by informing HHSC or its agent in writing of any changes to the information contained in its application, including, but not limited to, changes in ownership or control, federal tax identification number, provider licensure, certification, or accreditation, phone number, or provider business addresses. Changes due to a change of ownership or control interest must be reported to HHSC or its designee within 30 days of the change. All other changes must be reported to HHSC or its designee within 90 days of the change.

Provider agrees to disclose all convictions of Provider or Provider’s principals within ten business days of the date of conviction. For purposes of this disclosure, Provider must use the definition of “Convicted” contained in 42 CFR 1001.2, which includes all convictions, deferred adjudications, and all types of pretrial diversion programs. Send the information to the Texas Health and Human Services Commission’s Office of Inspector General, P.O. Box 85211 – Mail Code 1361, Austin, Texas 78708. Fully explain the details, including the offense, the date, the state and county where the conviction occurred, and the cause number(s).

1.2.3 This Agreement is subject to all state and federal laws and regulations relating to fraud, abuse and waste in health care and the Medicaid program. As required by 42 CFR § 431.107, Provider agrees to create and maintain all records necessary to fully disclose the extent and medical necessity of services provided by the Provider to individuals in the Medicaid program and any information relating to payments claimed by the Provider for furnishing Medicaid services. On request, Provider also agrees to provide these records immediately and unconditionally to HHSC, HHSC’s

agent, the Texas Attorney General's Medicaid Fraud Control Unit, the Texas Department of Family and Protective Services (DFPS), the Texas Department of State Health Services (DSHS) and the United States Department of Health and Human Services. The records must be retained in the form in which they are regularly kept by the Provider for a minimum of five years from the date of service (six years for freestanding rural health clinics and ten years for hospital based rural health clinics); or, until all investigations are resolved and closed, or audit exceptions are resolved; whichever period is longest. Provider must cooperate and assist HHSC and any state or federal agency charged with the duty of identifying, investigating, sanctioning, or prosecuting suspected fraud and abuse. Provider must also allow these agencies and their agents unconditional and unrestricted access to its records and premises as required by Title 1 TAC, §371.1667. Provider understands and agrees that payment for goods and services under this Agreement is conditioned on the existence of all records required to be maintained under the Medicaid program, including all records necessary to fully disclose the extent and medical necessity of services provided, and the correctness of the claim amount paid. If provider fails to create, maintain, or produce such records in full accordance with this Agreement, provider acknowledges, agrees, and understands that the public monies paid the provider for the services are subject to 100 percent recoupment, and that the provider is ineligible for payment for the services either under this Agreement or under any legal theory of equity.

- 1.2.4 The Texas Attorney General's Medicaid Fraud Control Unit, the Texas Health and Human Services Commission's Office of Inspector General, and internal and external auditors for the state and federal government may conduct interviews of Provider employees, agents, subcontractors, and their employees, witnesses, and clients without the Provider's representative or Provider's legal counsel present. Provider's employees, agents, subcontractors and their employees, witnesses, and clients must not be coerced by Provider or Provider's representative to accept representation from or by the Provider, and Provider agrees that no retaliation will occur to a person who denies the Provider's offer of representation. Nothing in this Agreement limits a person's right to counsel of his or her choice. Requests for interviews are to be complied with in the form and the manner requested. Provider will ensure by contract or other means that its agents, employees and subcontractors cooperate fully in any investigation conducted by the Texas Attorney General's Medicaid Fraud Control Unit or the Texas Health and Human Services Commission's Office of Inspector General or its designee. Subcontractors include those persons and entities that provide medical or dental goods or services for which the Provider bills the Medicaid program, and those who provide billing, administrative, or management services in connection with Medicaid-covered services.
- 1.2.5 Nondiscrimination. Provider must not exclude or deny aid, care, service, or other benefits available under Medicaid or in any other way discriminate against a person because of that person's race, color, national origin, gender, age, disability, political or religious affiliation or belief. Provider must provide services to Medicaid clients in the same manner, by the same methods, and at the same level and quality as provided to the general public. Provider agrees to grant Medicaid recipients all discounts and promotional offers provided to the general public. Provider agrees and understands that free services to the general public must not be billed to the Medicaid program for Medicaid recipients and discounted services to the general public must not be billed to Medicaid for a Medicaid recipient as a full price, but rather the Provider agrees to bill only the discounted amount that would be billed to the general public.
- 1.2.6 AIDS and HIV. Provider must comply with the provisions of Texas Health and Safety Code Chapter 85, and HHSC's rules relating to workplace and confidentiality guidelines regarding HIV and AIDS.
- 1.2.7 Child Support. (1) The Texas Family Code §231.006 requires HHSC to withhold contract payments from any entity or individual who is at least 30 days delinquent in court-ordered child support obligations. It is the Provider's responsibility to determine and verify that no owner, partner, or shareholder who has at least 25 percent ownership interest is delinquent in any child support obligation. (2) Under Section 231.006 of the Family Code, the vendor or applicant certifies that the individual or business entity named in the applicable contract, bid, or application is not ineligible to receive the specified grant, loan, or payment and acknowledges that this Agreement may be terminated and payment may be withheld if this certification is inaccurate. A child support obligor who is more than 30 days delinquent in paying child support or a business entity in which the obligor is a sole proprietor, partner, shareholder, or owner with an ownership interest of at least 25 percent is not eligible to receive the specified grant, loan, or payment. (3) If HHSC is informed and verifies that a child support obligor who is more than 30 days delinquent is a partner, shareholder, or owner with at least a 25 percent ownership interest, it will withhold any payments due under this Agreement until it has received satisfactory evidence that the obligation has been satisfied.

Further, Provider understands that any falsification or concealment of a material fact may be prosecuted under state and federal laws.
- 1.3.2 Provider must submit encounter data required by HHSC or any managed care organization to document services provided, even if the Provider is paid under a capitated fee arrangement by a Health Maintenance Organization or Insurance Payment Assistance.
- 1.3.3 All claims or encounters submitted by Provider must be for services actually rendered by Provider. Physician providers must submit claims for services rendered by another in accordance with HHSC rules regarding providers practicing under physician supervision. Claims for payment or encounter data submitted by the provider to an HMO or IPA are governed by the Provider's contract with the HMO or IPA. Provider understands and agrees that HHSC is not liable or responsible for payment for any Medicaid-covered services provided under the HMO or IPA Provider contract, or any agreement other than this Medicaid Provider Agreement.
- 1.3.4 Federal and state law prohibits Provider from charging a client or any financially responsible relative or representative of the client for Medicaid-covered services, except where a co-payment is authorized under the Medicaid State Plan (42 CFR §447.20).

- 1.3.5 As a condition of eligibility for Medicaid benefits, a client assigns to HHSC all rights to recover from any third party or any other source of payment (42 CFR §433.145 and Human Resources Code §32.033). Except as provided by HHSC's third-party recovery rules (*Texas Administrative Code* Title 1 Part 15 Chapter 354 Subchapter J), Provider agrees to accept the amounts paid under Medicaid as payment in full for all covered services (42 CFR §447.15).
- 1.3.6 Provider has an affirmative duty to verify that claims and encounters submitted for payment are true and correct and are received by HHSC or its agent, and to implement an effective method to track submitted claims against payments made by HHSC or its agents.
- 1.3.7 Provider has an affirmative duty to verify that payments received are for actual services rendered and medically necessary. Provider must refund any overpayments, duplicate payments and erroneous payments that are paid to Provider by Medicaid or a third party as soon as any such payment is discovered or reasonably should have been known.

Provider may subscribe to the TMHP Electronic Data Interchange (EDI) system, which allows the Provider the ability to electronically submit claims and claims appeals, verify client eligibility, and receive electronic claim status inquiries, remittance and status (R&S) reports, and transfer of funds into a provider account. Provider understands and acknowledges that independent registration is required to receive the electronic funds or electronic R&S report. Provider agrees to comply with the provisions of the Provider Manual and the TMHP EDI licensing agreement regarding the transmission and receipt of electronic claims and eligibility verification data. Provider must verify that all claims submitted to HHSC or its agent are received and accepted. Provider is responsible for tracking claims transmissions against claims payments and detecting and correcting all claims errors. If Provider contracts with third parties to provide claims and/or eligibility verification data from HHSC, the Provider remains responsible for verifying and validating all transactions and claims, and ensuring that the third party adheres to all client data confidentiality requirements.
- 1.3.9 Reporting Waste, Abuse and Fraud. Provider agrees to inform and train all of Provider's employees, agents, and independent contractors regarding their obligation to report waste, abuse, and fraud. Individuals with knowledge about suspected waste, abuse, or fraud in any State of Texas health and human services program must report the information to the Texas Health and Human Services Commission's Office of Inspector General. To report waste, abuse or fraud, go to www.hhs.state.tx.us and select "Reporting Waste, Abuse, or Fraud". - 2.3 The Provider must document whether or not the individual has executed an advance directive and ensure that the document is in the individual's medical record.

This notice must be submitted within five working days of the initiation and termination of the contract and submitted in accordance with Medicaid requirements pertaining to Third Party Billing Vendors.
